Thoroughness.

Prof. W. Hodgson Ellis, Official Analyst to the Dominion Government, states that "Sunlight Soap has a thorough cleansing power, without danger to the clothing or skin." Women who want washing done thoroughly cannot use better than Sunlight Soap—Octagon Bar. Unlike common soaps, there is no damage to the clothing, and no danger to the skin; hence the saying: Sunlight Soap reduces expense. Try Sunlight Soap—Octagon Bar—next wash day, and you will see that Prof. Ellis is right. He should know.

THE ROOF GETS THE WORST OF IT.

There's no shelter for it. It shelters the rest from the elements.

That's why you need the very best shingles, no matter where else you stint.

Eastlake SHINGLES

are absolutely fire, lightning, rust and leak proof, and easy to apply.

They've long since been proved the most reliable, perfect and longest-lasting kind you can find. Try them.
