Russell

Watch the cars
you see go by on the
street—count the number of
Russells.

It will surprise you, perhaps, to see how many Russells there are—that is, if it hasn't yet been driven home to you that the Russell is distinctly the success of the year—that it is selling away beyond its biggest previous record, more than double last year's number, in fact.

Can a car sell like this without being away better than the usual run of automobiles?

Can an output double—can a factory be kept at record-breaking speed 28 hours a day for months without significance to you as an automobile buyer?

We invite you to visit our nearest branch—see the cars—have them demonstrated on the road and then come to your decision in the light of the knowledge you will gain.

The Russell represents the best value in the market this year and we are ready to prove it.

Complete range of models from \$2,350, fully equipped, to \$5,000. Full standard construction.
