**Electric Steel Range**

Made of heavy steel plate, braced and riveted  
removable grate, that can be drawn out and re-  
paired without disturbing the fire linings. Fully  
tested and guaranteed to take on 25% less fuel  
than any cast iron range in the market. Send  
for circular and price list.

Doherty Mfg. Co., Sarnia, Ont

Canada gets it, too!

Five years ago an English scientist discovered  
a method of making a weather and waterproof  
paint. Large factories for its manufacture were  
soon established in Australia, Mexico and in the  
United States. A number of enterprising Toron-  
tonians last year recognizing its merit, bought  
the Canadian patent and have opened a factory  
in this city, at 122 and 124 Richmond street east.  
The paint has wonderful wearing qualities, is  
exceedingly adhesive and finishes with a gloss  
almost equal to varnish. On wood-work, iron,  
brick or plaster it works equally well. It does  
not crack, blister or peel. Canvas and muslin  
painted with it hold water and still retain their  
pliability. It is made in all colors and prices as  
low as is consistent with a first-class paint. Its  
great covering capacity makes it the cheapest  
paint on the market. It is a really good article  
and may be had from the
