IN ANSWERING ADVERTISEMENTS, PLEASE MENTION "THE CANADIAN CHURCHMAN."

THE HOUSEKEEPER'S ALPHABET.

"Looking over some of grandmother's papers the other day I came across what was called the "Housekeeper's Alphabet." It was the most delicious mixture of moralizings and household helps that could be imagined. Let me read it to you," said Mrs. Happy Homemaker.

"I am going to use the idea and manufacture one that will be a little more coherent, but I know it will lack the old-fashioned charm of this one:—
"Always be cheerful and patient as well as industrious.

"Brooms hanging instead of standing will keep them soft and pliant.

"Canning—Do in the early part of the season, and early part of the day, to save the fruit and temper.

"Dish of hot water set in the oven prevents cakes from scorching.

"Economize time and health and means and you will never beg.

"Flour—Keep cool and dry and securely covered.

"Glass—Clean with a quart of water mixed with a tablespoonful of ammonia.

"Happiness is not so much in doing what you want to, but in wanting to do what you have to.

"Ink Stains—Wet with spirits of turpentine; after three hours rub well.

"Jars—To keep cereals in good condition always put in glass jars. To prevent jars in the family always bring a smiling face to the breakfast table.

"Keep an account of all supplies, with cost and date of purchase.

"Love lightens labour.

"Money—Count carefully when and where you receive change.

"Nutmegs—Prick with a pin, and if good, oil will run out.

"Orange and Lemon Peel—Dry, pulverize and keep in corked bottles to use for flavouring.

"Parsimony—Be careful lest what you call prudence and economy is really this.

"Quicksilver and white of eggs destroys cockroaches and bugs.

"Rise in the morning full of gratitude for a new day.

"Sunshine within and without is the best medicine.

"Try again, and conquer all obstacles.

"Undue haste makes waste.

"Vinegar never catches flies, but honey does.

"Wholesome advice is easy to give and hard to take.

"Yielding gracefully is a fine art.

"Zest is the secret of success."—New York Globe.

A SLIGHT ALTERATION.

"And how are the twins?" a Vicar asked, meeting their older sister.

"Getting on nicely, thank you, sir," stammered the shy girl.

"Have you decided on their names yet?" went on the Vicar, smilingly.

"Y-yes, sir," answered Annie, tumbling out her words in confusion.

"We're going to call them Steak and Kidney."

The Vicar looked rather puzzled, but let it pass. The names he was asked to bestow upon the twins at the font a fortnight later were Kate and Sydney.

POLICE WIT.

"What's his chief characteristic?" asked the policeman of the old lady, who was trying to describe the man who had robbed her.

"A large Roman nose," said the lady.

"Oh," replied the constable. "Then it's no use trying to look for him. A nose like that never turns up."
