# NOW Go Out And See How The Gophers Are Stealing Your Grain

Yes sir! The gophers are feasting on your grain. They're laughing at you because they think you don't know how to prevent them from robbing you. I'll tell you how thousands of other farmers killed every gopher on their farm. I'll tell you how they saved \$200 on every 80 acres—the money that gophers are costing you now—if you don't kill them quick. Write me a postal or go to your druggist for a 75c box, or a \$1.25 box of Mickelson's Kill-Em-Quick—the only guaranteed gopher poison. If it costs you a penny more than

## 1c Per Acre To Kill Gophers

I'll refund every cent you paid for Kill-Em-Quick. A 75c box will kill 2,000 gophers. A \$1.25 box will kill 4,000. Each gopher costs you 10c in grain you don't get. There are 2,000 gophers to an 80 acre field. Figure it up yourself and make up your mind to get right after them. Don't let them steal hard-earned dollars from you. Kill them quickly, cheap and sure with

## Mickelson's Kill-Em-Quick

It has a peculiar odor and taste and attracts gophers—it is pleasing to them. Yet one single poisoned grain kills a gopher. That's how powerful Kill-Em-Quick is. Don't you want to invest 75c or \$1.25 now and make \$200 to \$400 at harvest time in extra grain? Ask your druggist. Don't take anything but Mickelson's Kill-Em-Quick. If he refuses to supply you send me his name with your order and I'll ship direct, postage prepaid, satisfaction guaranteed or money back. Kill-Em-Quick is easy to use, quick-acting and cheap. Write me a postal for my book, but don't wait till it comes. Get a package of Kill-Em-Quick at once and use it according to the simple directions. Address me personally
