PHILLIES BEAT REDS

BY SCORE OF 1 TO 0

Philadelphia, Aug. 11.—Erske May-
er returned to the game yesterday af-
ter a long absence and shut out Cin-
cinnati, 1 to 0. It was another hard-
luck defeat for Fred Toney, who held
the Phillies to three hits, outpitching
Mayer, only to have his team-mates
toss away the game. Paskert scored
the only run in the first inning. He
walked and stole second. Wild throws
by Wingo and Roush allowed him to
score. The score: R.H.E.
Cincinnati . . . 000000000—0 5 2
Philadelphia . . . 100000000—1 3 0

PRAISE FOR
GREAT VICTORY

Newspapers in Britain Pay
Tribute to Notable Success
the Isonzo.

By Special Wire to the Courier.
London, Aug. 11.—(New York
Herald cable)—Under the heading,
"Well done, Italy," the Morning Post
says editorially:
"Nowhere will the signal successes
of the Italian army just won be more
heartily acclaimed than in this coun-
try, where Italy's splendid counter-
to the deadly blow aimed at her by her
secular foe has been followed with
special admiration. The great sig-
nificance of the achievement of the
capture of Gorizia is that it jeopar-
dizes the whole strategic dispositions
on Austria's southern front."

The Times says:
"The Italians have won a remark-
able victory which they achieved by
patient courage and at heavy sacri-
fice. Each allied nation joins in the
delighted rejoicings of the Italian
people. The principles of the co-or-
dinated strategy now being pursued
by the allies, never has been more
remarkably exemplified than in the
present week."

St. Louis Won Five
From Washington

Hitherto Despised Westerners Have
Won 19 Out of Last 21
Games.

St. Louis, Aug. 11.—By cleaning
up on the Nationals yesterday by 4
to 0, the Browns won five from
Washington, set a mark of 19 victo-
ries out of 21 games, and took pos-
session of fifth place, the Yankees
dropping from fourth to sixth. Koob
held Washington to five hits, and
was saved in the eighth when with
three on and one out Marsans picked
Rice's liner off the grass, and Mil-
ler squeezed Shanks' liner, although
falling to his knees. In the fourth,
Pratt went to second on a muff by
Shanks. Severoid singled, Lavan
tripled and Wallace singled, scoring
three runs for the Browns. Score:
R.H.E.
Washington . . . 000000000—0 5 2
St. Louis . . . 000310000—4 8 1
Batteries: Boehling, Gallia, and
Henry; Koob and Severoid.

At Chicago—The White Sox gave
a poor exhibition of the national pas-
time yesterday, losing to Boston by
11 to 5, and thereby dropping back
into third place. The Red Sox runs,
with the exception of the ninth round
when four runs came in on two er-
rors and two singles, were well ac-
tured. Three Sox pitchers were nick-
ed for a total of thirteen hits. Leon-
ard started for Boston, but when the
Sox got to him in the eighth Foster
was called in to take his place. The
White Sox piled up a total of five er-
rors. Score: R.H.E.
Boston . . . 100220024—11 13 2
Chicago . . . 000002111—5 10 5
Batteries: Foster, Leonard and
Cady; Russell, Danforth, Williams
and Schalk.

At Detroit—Philadelphia wound
up its western trip here yesterday
with a 10 to 4 defeat, after getting a
two run lead. Detroit discovered Wil-
liams' weakness early, and bunted
and stole bases with reckless aban-
don. Cobb in the eighth, hit the first
home run ever sent into left field
corner inside the park. The drive
usually is good for two bases, but
slow fielding and fast sprinting let
him score handily. Score: R.H.E.
Philadelphia 110101000—4 11 0
Detroit . . . 000205003—10 16 1
Batteries: Williams and Pichnich;
Mitchell, James and McKee.

At Cleveland—Pipp's wild throw
in the ninth inning gave the Indians
the final game from the Yankees by
3 to 2, and made it three straight for
Cleveland. The victory sent the In-
dians into second place as Chicago
was beaten by Boston.
Turner singled with one out in the
ninth, O'Neill grounded to Peck, and
Turner continued to third, making a
headlong slide into that bag. Pipp
threw wild and Turner walked home.
The game was a pitchers' battle
between Russell and Lambeth, a re-
cruit from Topeka, Kansas, who
started his first game for the In-
dians. He allowed five hits, and except
for the first innings when two were
bunched, with a bit of wildness, the
Yanks were at his mercy. Score: R.H.E.
New York . . . 200000000—2 5 1
Cleveland . . . 000101001—3 8 0
Batteries: Russell and Nunamaker,
Lambeth and O'Neill.

EARL'S SON MISSING

The Earl of Wemyss states that
his son, who was reported as inter-
ested at Damascus, is still missing and
no trace of him has been found as
to being captured as the time it was
rumored that he had gone to the
Syrian city. A curious fact has been
established about the young man. On
the night that he left for the front
he told his fellow-officers that he had
a premonition that he should die in
the East. They knew at the War
Office the young man's physical abil-
ity and his great interest in Eastern
affairs. "We shall have to wait a
time of it in the East, and the price
will be a heavy one to get what per-
haps we will not be able to hold."
These words are remembered by
many and are again recalled in con-
nection with the latest report as to
his disappearance.

STEAMER OLDAMPT

SAILS FOR HOLLAND

Has Cargo of Tobacco from New
York—Small Ocean Freighter.
New York, Aug. 11.—The Dutch
steamer Oldampt, one of the small-
est freighters that ever attempted
the trans-Atlantic passage, sailed to-
day with a cargo of tobacco for Rot-
terdam. The Oldampt, built in
1914, is registered at 500 tons gross,
and is 151 feet long, with a beam of
twenty-five feet.

Compared with the German un-
dersea boat Deutschland the Old-
ampt is 291 tons less register and is
only one foot more than half the
length of the submarine.

DEUTSCHLAND SEEN
OFF GRAND BANKS

German Sub Freighter Cir-
cles Around Norse Steam-
er and Proceeds.

Philadelphia, Pa., Aug. 11.—The
German submarine, Deutschland,
which sailed from Baltimore for Bre-
men, was sighted on Sunday night
last off the Grand Banks by the Nor-
wegian steamship Meteor, which ar-
rived here yesterday. Capt. Johnson
of the Meteor on his last trip out
from Baltimore bound for England,
encountered the Deutschland going
into Baltimore. What he saw of the
vessel at that time makes him pos-
itive of his identification of the sub-
marine, which he sighted off the
Grand Banks. The Meteor was in the
regular steamship lanes, making for
Philadelphia, when she sighted the
undersea boat. It was getting dark at
the time the submarine was encoun-
tered. The submarine circled around
the Norwegian steamship, and then
assumed her eastward course.
