THE 246TH BATTALION FUND

The 246th Highland Battalion as a reserve for the Highland Brigade is now being recruited under Lieut. Col. N. H. Parsons, a fully qualified officer and one who has ever been popular on military circles. A fine start has been made in recruits and with the recruits, friends of the Battalion are raising a fund for a regimental and pipe band and other necessary equipment. About \$400 has already been raised mostly in Halifax city, other parts of the Province should show their interest by celebrating ETA...N terest by contributing to the fund.

DR. J. D. LOGAN PUBLISHING A BOOK OF POEMS

Dr. J. D. Logan, sergeant in 85th Battalion, N. S. Highlanders, and the efficient editor of the Nova Scotia Highlander is publishing a book of poems. From what we know of Dr. Logan's ability we feel sure the poems when in print will be eagerly read by the public. The Morning Chronicle publishes the following:

"Insulters of Death and other Poems of the Great Departure," a book of poems occasioned by the war, written by Sergeant (Dr.) J. D. Logan, 85th Battalion, Nova Scotia Highlanders, will be off the press on Monday of next week. The book, which is in de luxe form, is published by L. Clyde Davison and Co. There will be five hundred copies, two hundred of which will be specially marked and autographed by the poet.

Besides the poems the book contains a preface outlining the status of Canadian poetry inspired by the current war and a prose preachment entitled "The Fatal Paradox and Sin of Sorrow for the Dead."

Those who have seen the advance sheets say that these poems breathe some of the noblest sentiments yet expressed by any Canadian poet and will take a high rank in the literary annals of the Dominion.

UNITED FRUIT COMPANIES ELECT NEW SECRETARY

The United Fruit Companies held a special meeting at Berwick on Thursday last for the purpose of electing a successor to A. E. Adams late secretary and to transact business.

Mr. Adams gave his statements before this general meeting as to his reasons for resigning and criticising the manager and the executive or board of management.

Mr. A. E. MacMahon, General Manager, replied to the criticisms and statements of Mr. Adams defending the course the United Fruit Companies had taken.

Mr. Adams resignation was accepted and Mr. John N. Chute of Berwick was appointed secretary. He is a man who stands high among fruit growers and has done effective work in Europe for several years for the co-operative companies.

Two heavy losses at Halifax and in South American trade have effected the Central organization considerably but it is expected that past mistakes will be remedied and the co-operative principal maintained as effectively as ever.

SUPPLIES FOR HOSPITALS

Truro, N.S., Aug. 19th. To the Editor of The Advertiser Kentville.

Dear Sir: Will you give me a little space in your paper to draw the attention of the members of the Women's Institutes of your County, as well as all other women to the urgent request for more jam for the soldiers.

Splendid work was done for this cause last year, but more is needed this year and if the amount sent can be doubled or trebled the result will be gratifying. The jam must be put up in quart bottles, and if possible the express charges prepaid to Halifax. Where this is not possible the Provincial Red Cross will defray express expenses. This is work that ought to appeal strongly to the women of Nova Scotia and I particularly beg the members of the institutes to bear in mind the good work of last year and redouble that where possible. Anyone wishing particular information should write the Secretary of the Provincial Red Cross Halifax.

Thanking you for your kindness, Mr. Editor,

I am,
Yours sincerely,
JENNIE A. FRASER,
Supt. of Women's Institutes
for Nova Scotia.

Berwick, Aug. 21—Kenneth C. Chipman of Stefananson's expedition, to the north whose name it was announced in New York and Toronto dispatches was not on the list of those returning, is safe and is coming by the Mackenzie route via Edmonton.

A graphic account of that adventure appeared in The Halifax Herald.

MARY PICKFORD AT THE NICKLETT THEATRE TONIGHT AND SATURDAY NIGHT.

If you are a beautiful young girl whose sister had fallen the victim of a wealthy young chap and that same fellow were to make love to you—and if the sister followed him to your home with the intention of shooting him would you scream and run away or would you take command of the situation? Mary Pickford took the revolver out of the girl's hand, held the man at bay with it and sent for a minister. When the reverend gentleman arrived, she concealed herself behind a curtain and held the gun to the man's back while he went through the wedding ceremony.

It all happened in "The Eternal Grind." Mary Pickford's latest big feature in which she is being starred by the Famous Players Film Company, to be the attraction at the Nicklett tonight and Saturday night. In this powerful story, Mary Pickford plays the part of a factory girl who battles against frightful odds in her struggle to preserve intact the little home of which the death of her parents has made her the head. She has two sisters, Amy a girl of shallow moral character, and Jane, a confirmed invalid. It is in the effort to save these girls from disgrace and death that the power of Mary's character is developed to its utmost.

Mary is the type of character that wins our sympathy from the very first moment that we see her patiently toiling at her machine in the factory and with Mary Pickford lending her personality and her art to its interpretation. "The Eternal Grind" will undoubtedly prove to be worthy of rank among the greatest to mbe worthy of rank among the greatest contributions which this celebrated star has made to the screen.
