A TRIPLE FATALITY

Three Children Killed on Railway Track Near Amherst

Brother and Sister Got Feet Caught in Cattle Guard

Lorain, O., Oct. 15.—Matthew Glovesky, five years old, and his sister, Lucy, 14 years old, were run down by a Lake Shore train and killed Sunday night, near Amherst, and their aunt, Miss Sophia Glovesky, was fatally hurt.

The three were walking on the track when the boy's foot became fastened in a cattle-guard. In attempting to rescue him, his sister also caught her foot in the guard. Their aunt was unable to pull the children's feet from the cattle-guard and was unlacing the little boy's shoe when a freight train bore down upon them. The children were killed instantly, and the aunt fatally hurt.

One Killed; Nineteen Injured. Middletown, N. Y., Oct. 15.—One man was killed and nineteen others injured, three fatally, yesterday, by the collapsing of a 400-foot trestle used in railroad construction work near Stony Ford.

Sixty work cars which were on the trestle went down in the crash.

PROSECUTION OF M. C. R.

Mr. Justice Riddell Congratulated at Opening of Assizes.

Windsor, Oct. 15.—Justice Riddell opened the Fall Assizes yesterday afternoon at Sandwich. This being his first visit here since his elevation to the bench he was welcomed with congratulations by H. Clarke, K. C., on behalf of the bar. As there were no prisoners to be tried at this court the sheriff presented his lordship with the customary pair of white gloves.

In his charge to the grand jury Justice Riddell outlined their duties with respect to the criminal prosecution of the Michigan Central for the Essex explosion, and adverted to the alarming number of so-called accidents which were becoming notorious, and were due in many cases to sheer carelessness.

The railway has been trying to have the prosecution postponed, but the authorities are determined to press the case. Crown Prosecutor Meredith of London will try to have the company indicted on three counts. It is estimated that no indictment will be prepared against any of the railway employees.

Mrs. Chadwick's Funeral.

Woodstock, Oct. 15.—The remains of my sister, Mrs. Cassie Chadwick, will be quietly interred at the Anglican cemetery in the city on Wednesday afternoon, and Rev. F. W. Thompson, pastor of College avenue Methodist church, will conduct the services, was what Mrs. D. A. Campbell of East Dundas street told the managing editors of the local papers late yesterday afternoon.

Mrs. Campbell has very carefully evaded reporters, and would not trust them with the news that she herself conveyed to the head newspaper men in town.

The remains are being held until Wednesday, awaiting the arrival of relatives and friends from Ohio and other parts of the United States who will attend the funeral. Mrs. Campbell refused to say.

The funeral will be strictly private, not even Mrs. Campbell's most intimate friends are being allowed to view the remains, which are encoined in a sealed casket.

Buffalo Man Suicides.

Chippawa, Oct. 15.—Early yesterday morning two fishermen in Niagara River above Navy Island discovered on the Canadian shore an overturned skiff and nearby the body of a man aged about 40 years.

From letters the body was identified as N. G. Swen of No. 419 Herkimer street, Buffalo. He had committed suicide by shooting himself through the head. A revolver was found near the corpse.

The letter said, "No hope for me; no work, no money. Good-bye." His hands were toll-hardened and his clothing was of cheap stock.

Prince Albert Election.

Prince Albert, Oct. 15.—The result of the Prince Albert election is still in doubt. Both sides claim to have won, and both celebrated the victory Saturday night with torchlight processions. The uncontested ballots were counted at the close of the polls by the deputy returning officers, and gave Bradshaw 334, Turgeon, 333, with 339 votes tied up.

Worst in Twenty Years.

Sydney, N. S., Oct. 15.—Fisheries along Labrador coast line this year are reported by the fleet which has just returned to be the worst in the past twenty years. Failure was caused by bad weather conditions.

Fisheries on Newfoundland coast proper are, however, reported to be the best in the past five years.

Six Months For Druggist.

New York, Oct. 15.—Severe punishment for druggists who sell cocaine is advocated by Dr. Darlington, head of the city health department, and as a result of his efforts a druggist convicted of making a sale of the poison was sentenced yesterday to six months imprisonment in the penitentiary.

Killed at Barrie.

Barrie, Oct. 15.—Another railroad man was fatally injured in the yards here on Sunday. Conductor Louis Dewitt, jumping from his train, had his coat caught on the van and was pulled under the wheels. One leg was badly crushed, and Dewitt died 12 hours later from shock and hemorrhage.

TO REBUILD THEATRE

Gallagher and Son have received the contract for the re-construction of the burned portion of the Wonderland Theatre on King street, and it is expected that the theatre will be ready for opening by Saturday. Fire Chief Pritchard has suggested to the management that a fire extinguisher be placed in the theatre as an extra precaution in case of fire, and has consented to inspect it weekly. The operating room, will be lined with asbestos.

R. A. Murphy, the local agent of the insurance company in which Mr. Ralph, proprietor of the theatre, had taken out a fire policy, has made satisfactory settlement.

The Vote of Neepawa

Winnipeg, Oct. 15.—The wiping out of local option in the Neepawa district after an experience of more than twenty years is declared in the west to be a blow to prohibition that will practically destroy for all time the law in Western Canada.

Of 403 ballots cast, 67 per cent. were opposed to local option. Sixty per cent. had to be registered against the law to bring the saloon back.

Ministers and temperance workers assert that they are unable to account for the rejection of the law. It seems to have worked in a satisfactory manner, though the traveling public complained that no hotel accommodation was available in the city.

As a result, there is now no such thing as local option in force west of the lakes in Canada.

Ask Small to Resign.

New York, Oct. 15.—Late yesterday the telegraphers held a meeting, at which resolutions were adopted calling upon President Small to immediately resign his office.

A number of speeches were made and there was considerable discussion over the resolution, a few of the telegraphers declaring that President Small was guilty of nothing more than a tactical error and should not be so severely censured.
