DISTRICT

CROTON.

We were pleased to have our former pastor, Rev. A. E. Doss, again with us last Sunday afternoon. He was occupying the pulpit during the absence of the Rev. Mr. Sawyer, who is now attending the "Summer School."

Mrs. Charles McIntosh is slowly recovering from her recent illness. Much praise is due Miss Cora D. Tiffin who was successful in her recent Junior Teachers' examination at Thamesville.

Two of our young men left for the west last Tuesday. Mr. Chas. Craig and Mr. Chas. Smith. We wish them both success.

We were sorry to hear of the accident that happened to Mr. Fred Rickard last Wednesday while attending a barn raising in Abernethy. It appears that Mr. Mr. Rickard was shocked by lightning and fell. We hope for his speedy recovery.

Miss Vera Peters is visiting relatives in London at present.

EAST DAWN.

Mr. Allan Christner is still very low with typhoid fever.

Mr. and Mrs. Flex. Budd visited relatives in Dawn this week.

Mr. and Mrs. D. M. Healy visited at Dresden on Tuesday.

A number from here attended the circus at Chatham last week.

Mr. Baikle and wife passed through here on Sunday, in their automobile.

Mr. Wm. Obeys, of Thamesville, was through here buying apples last week.

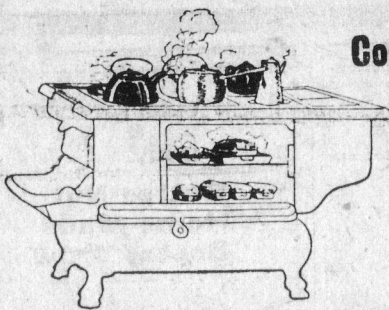

The oil speculators have leased a lot of land around here and Dresden. Farmers are very foolish to allow their land to be tied up, not knowing when it will be tested for oil.

Mr. and Mrs. Albert Atkinson, of Alvinston, called on friends in Dawn this week.

School Inspector Barnes was visiting schools in Dawn this week.

Very heavy electric storms visited this section on Monday and Tuesday of this week. No damage was done.

Mr. Baxter, of Kent Bridge, visited his sister Mrs. James Ackert on Sunday.

Cooks and Bakes perfectly at the same time

There is not another range built in which the heat may be regulated

so that you can bake in the oven and cook on the top at the same time without spoiling one or the other.

But you can do both equally well at the same time on the Pandora, because its heat is not wasted and is at all times under the simplest, most positive control.

If you do the cooking of your household you can appreciate exactly what this means.

Secret Diseases of Men

5 Dollars a Month

Come to our office, or write us, and we will make a thorough and scientific examination of your ailments free of charge. You may have taken treatment elsewhere without success—we will show you why it failed. Every man should take advantage of this opportunity to learn his true condition, as we will advise him how best to regain his health and strength and power of manhood. You need not take treatment after consulting us unless you desire to. We trust you will be cured.

We make no misleading statements or deceptive propositions to the afflicted, nor do we promise to cure in a week or two when we know it will take longer, but we will guarantee a complete, safe and lasting cure, in the shortest possible time without leaving any injurious effects. For a limited time each disease will be treated for \$5 per month until cured. We guarantee to cure Nervous Debility, Varicose Veins, Stricture, Blood Poison, Weakness, Kidney and Urinary complaints. Call at offices of write for Question List for Home Treatment.

IRON AND STEEL OUTPUT

Big Increases Are Shown in the Past Year's Business.

What Dominion Government Has Paid In the Way of Bounties to Promote Production—Total Amount Paid For the Fiscal Year, Ended 30th June Last, Was \$3,088,407, An Increase of \$229,056 Over Year Previous.

Ottawa, Aug. 29.—The iron and steel bounty payments paid by the Dominion Government for the financial year up to July 1 amount to \$2,064,339, as compared with \$1,840,203 in 1905. The payments indicate a very large increase in the output of the Canadian iron and steel industries.

Bounty amounting to \$687,631 was paid on a total output of 581,858 tons of pig iron, of this, \$65,223 tons were made from Canadian ore. The bounty on this was at the rate of \$1.65, and totalled \$142,263; 495,335 tons were made from foreign ore. The bounty on this was at the rate of \$1.10, and totalled \$544,868. Last year's output of pig iron was 588,714 tons, of which 58,452 tons were from Canadian ore. The rates of bounty were higher last year, viz., \$1.50 on foreign and \$2.25 on Canadian ore.

Of steel ingots, 569,237 tons were made in the Canadian mills during the past year, as compared with 272,916 tons in 1905. The bounty in 1906 at the rate of \$1.65 per ton, was \$941,000. In 1905, at the rate of \$2.25 per ton, it was \$1,614,433. Of puddled bars, 2,560 tons were made in 1906, as compared with 3,569 tons the year before. The bounty, at \$1.65 per ton, this year, was \$5,575. The payments last year at \$2.25 per ton were \$7,895.

The Government paid a bounty in 1906 of \$369,832 on 22,875 tons of rolled angles, wire rods, plates, etc. In 1905 the payments were \$293,208, and the output 59,842 tons.

These iron and steel bounties expire next year unless they are renewed by Parliament.

The lead bounty in 1906 totalled \$90,197, as compared with \$330,645 the year before, the rate of bounty being much lower on account of the higher price of lead in the world's markets.

The petroleum bounty, at the rate of 1-2 cents per gallon, showed payments amounting to \$291,157, as compared with \$350,407 in 1905.

There was also paid a bounty amounting to \$15,078 in manilla used in the manufacture of binder twine, as compared with \$12,789. In 1906 the bounty was allowed on 4,223,300 lbs. of manilla used in the manufacture of 8,617,457 lbs. of binder twine.

The total of industrial bounties during the fiscal year ending June 30, 1906, was \$3,088,407, an increase of \$229,056 over the year previous.

The bounties for iron and steel earned by the several companies in 1905-'06 were as follows:

Pig iron—
Canada Iron Furnace Co. \$ 40,256
Deseronto Iron Co. 13,664
Hamilton Steel & Iron Co. 98,897
Dominion Iron & Steel Co. 246,353
Nova Scotia Steel & Coal Co. 65,075
Londonderry Iron & Mining Co. 51,525
Algonia Steel Co. 167,420

Steel ingots—
Hamilton Steel & Iron Co. \$ 67,578
Nova Scotia Iron & Coal Co. 96,803
Dominion Iron & Steel Co. 408,571
Algoma Steel Co. 367,770

Articles manufactured from steel—
Dominion Iron & Steel Co. \$302,413
Nova Scotia Steel & Iron Co. 25,815
Montreal Rolling Mills Co. 7,386
Hamilton Steel & Iron Co. 34,217

COLLISION IGNITED MATCHES.

Caused the C. P. R. a Loss of Between \$3,000 and \$4,000.

Montreal, Aug. 29.—The collision of two freight trains at Ivesville Junction yesterday morning caused matches that were contained in one of the cars to ignite, with the result that five cars, filled with various kinds of merchandise, were destroyed by fire, the loss on the C. P. R., on whose line the collision took place, being from \$3,000 to \$4,000.

A brakeman, James H. McNeil of Farnham, was on the train that was moving into Ivesville Junction, and when he saw a collision was inevitable he jumped, with the result that he suffered a compound fracture of the left leg and a sprain of the right ankle, along with many bruises. He was taken to the Victoria Hospital, Montreal.

Rescued From Burning Steamer.
Detroit, Mich., Aug. 29.—Twenty-one persons, including the captain's wife and two little children, were rescued early yesterday from the burning steamer Charles A. Eddy by the Detroit and Cleveland lake steamer City of Mackinac, off Port Sanilac in Lake Huron. The fire which broke out early was soon beyond control. Capt. Simpson of the City of Mackinac, crowded to its capacity with passengers, steamed to the windward of the burning freighter and amid great excitement managed the hundreds of passengers and in a heavy sea took off her crew over the rail. Capt. Eley of the Eddy was sick in bed and had to be carried to the Mackinac with his wife and two small children.

Death in the Dive.
Rochester, Aug. 29.—Charles Williams, 19 years old, son of A. C. Williams, a prominent shoe manufacturer, was drowned in Lake Ontario off Sea Island yesterday. He was in swimming with several companions, and in diving from the pier struck the water with such force that he was unable to breathe.

Falls From Train.
Windsor, Aug. 29.—Edward Whalen, aged 40 years, a resident of Braddock, Penn., fell from a Grand Trunk passenger train near Chatham late Monday night and sustained serious injuries. He has not yet been able to explain how the accident occurred.

"Lowery's Claim" Closed Out.
Ottawa, Aug. 29.—The Postoffice Department explains that "Lowery's Claim" published at Nelson, B. C., has been refused transmission through the mails on account of its alleged blasphemous and ribald character.

Just the Very Piano Offer! YOU'VE BEEN LOOKING FOR

Here's an opportunity to purchase a piano at a very low price. A chance to bring into your home an instrument which will "cheer you up" when you feel sad, "soothe" you when harassed and tired. No more will you have to go visiting to hear your favorite pieces played. Home will be

ACCUMULATION SALE OF PIANOS AND ORGANS

Pianos and organs offered in this Accumulation Sale are what we've taken as part payment in exchange for celebrated Nordheimer pianos.

They have all been thoroughly overhauled in our factory, and are guaranteed by us.

Another offer like this may come your way again for months to come.

LONDON, ONT.

Cures Rheumatism Too.

Bu-Ju cures Rheumatism, because it cures the Kidneys. Every drop of blood in the body passes through the kidneys, to be filtered. If the kidneys are sick—tired—inflamed—they don't filter out the uric acid. It is this acid, deposited in the joints—on the nerves—that causes Rheumatism.

Bu-Ju

cleans, heals, strengthens the kidneys—sets them to working properly—cleans the blood—stops the ache—and takes away every trace of Rheumatism and Sciatica.

Track Laying to Begin.

Montreal, Aug. 28.—It is stated that track-laying will be begun this week in Messrs. McDonald & McMillen's section of the Grand Trunk Pacific at Portage La Prairie.

Auditor at Work.

Kingston, Aug. 28.—The Government auditor is working on the books of Napanea. The assessment roll of 1904 is missing.

Rain Saves Tobacco Crop.
Windsor, Aug. 28.—Recent rains have saved the Essex tobacco crop, which is expected to be the best yet.

Pure salt is just as important as pure water or pure milk.
WINDSOR TABLE SALT
is absolutely pure and never cakes.

He never errs who sacrifices himself.

Greatness is to take the common things of life and walk truly among them.

Mindard's Liniment used by Physicians.

"The Greatest of All."

Quite an amusing incident, not without a significant flavor, is told of a happening at the Provincial Parliament Buildings recently, says The Toronto News.

A couple of American lady tourists, evidently of the egotistic and newly-rich variety, drove to the buildings and while the carriage waited at the entrance, proceeded to inspect the halls. After a haughty look or two at the party of tourists being shown around by the attendants the new pair separated themselves with considerable ostentation and dignity. "We wish a special guide for ourselves," observed one of them with some dignity.

As the attendants were all engaged they waited in the upper hallway examining the pictures.

At this eventful moment Premier Whitney came swinging down the hot hall, coat off, vest unbuttoned, and arms full of papers.

"One of the servants?" queried the American in an audible whisper, training her eye-glasses upon him.

The Premier in passing caught the comment.

"Yes, madam," he said, swinging suddenly toward her in most typical and emphatic style, "I am one of the servants here—perhaps the chief public servant."

And swinging back into his stride he passed on.

The imperious Americans wilted under the manner, more than the words, of the Premier, and those who witnessed the incident enjoyed hugely the more quiet and courteous way in which the ladies subsequently secured an attendant and "tipped" him handsomely.

He Could Not Officiate.

Chatham the other day had an experience which, while quite a common occurrence in England, is most unusual in Ontario. A Methodist minister was asked to officiate at the funeral of one of his congregation. The funeral was conducted in the city at the home of the deceased, according to the rites of the Methodist Church, and the procession proceeded to an English Church in the country, where the service was to be continued and concluded. The burying ground was situated just adjoining this English church. Upon arriving at the church in question the Methodist minister was informed that he would not be allowed to preach a sermon from a text in the church, and, as a result, he was just allowed to give an informal talk and was not allowed to occupy the pulpit.

Used on Gen. Brock's Horses.

Joshua Culp of St. Catharines has in his possession a curiosity which he prizes very highly. It consists of a pair of blacksmith's tongs, which were made in the year 1811, and were used in shoeing the horses of Gen. Sir Isaac Brock and his staff, preparatory for the battle of Queenston Heights. When put along side of a pair of tongs of the present day they are so different that their air of antiquity is enhanced. The metal is much worn. They are 18 inches long and weigh about four pounds. Mr. Culp says he wouldn't part with the tongs for a good deal, because of their historic worth. They were made and used by his great-grandfather, whose name was also Joshua Culp.

CANADIAN PACIFIC

TORONTO EXHIBITION

SINGLE FARE... \$5.30 LOW RATES... \$3.80.
