The best pair of stoves a house can contain. Nothing better can be found in all stove-dom and very few as good, rather a strong assertion to make isn't it? But we know what we are talking about. Our sales haven't more than doubled this year for nothing. There certainly must be a reason for it.

Next time you pass just take minutes to let us show you the reason. We will convince you before time is called.

May we expect a call from you? Any time between 7 a. m. and 7 p. m.

Base Burners \$30 to \$45  
Ranges \$33 to \$50
