### R. R. R. Highly Important to the Public.

The Sick cured on the R. R. R. Theory.

#### THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by Radway & Co. So quick, so powerful, so effectual, so safe, so pleasant, are these remedies in stopping pain, checked disease, expelling from the human body all foul and corrupt humors, all diseased and poisonous deposits, and restoring the weak, feeble, and fragile frame, worn out by disease and long suffering, to sound health and long life, that whatever other remedies, and becomes famous with the R. R. R. Theory, will never need a physician, because it is an economical medical case. The R. R. R. Remedies will never fail—they prove themselves in the worst cases in less than twenty-four hours.

They invigorate, they reanimate, they regulate, they relieve the suffering, pain-stricken invalid from the most torturing pains in a few minutes.

They restore the sick and diseased body to health and longevity.

To the low spirited and nervous they impart joyfulness, vigor, and a happy flow of spirits.

To the aged and infirm constitutions are given out by despondency and limbs palsied and exhausted, they impart the elasticity and buoyancy of manhood in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted with languor, listlessness, loss of appetite, gloomy feelings, &c., they impart to the recuperative organs a healthy regularity of action.

To the thoughtful, sooner and victim of animal passions, who has wasted away his strength in folly and revelry, they check the waste of manhood, and restore every organ to a sound and natural condition.

To all who suffer, to all afflicted with disease, the R. R. R. REMEDIES will quickly and effectually free the sufferer from misery, and render the most protracted capable of enjoying sound health and long life.

#### R. R. R. REMEDIES.

The R. R. R. Theory requires only three remedies for the cure of the sick, and the protection of the human system against sudden attacks of violent disease.

No. 1.—RADWAY'S READY RELIEF.—For the instant Relief of Pain, and quick cure of Acute Maladies.

No. 2.—RADWAY'S RENOVATING RESOLVENT.—For the effectual cure of all Chronic and Scrophulous Diseases that have been lingering in the System, corrupting the Human Body, for Five, Ten, Twenty, or Forty Years.

No. 3.—RADWAY'S REGULATORS.—For restoring and regulating to a healthy and harmonious action all the Organs in the System. A mild and efficient carminative.

R. R. R.—No. 1—RADWAY'S READY RELIEF is for the instant relief of the sufferer from pain, and to check and arrest the progress of disease; to disinfect animal, malarious, and infectious poisons, thus protecting whoever uses it against all poisonous infection, from Contagion, and from sudden attacks of Cholera, Pneumonia, Skin Fever, Fever and Ague, &c. Likewise for the effectual and radical removal of all chronic diseases, such as those of the Joints, Limbs, Nerves, &c. in from five to fifteen minutes.

RADWAY'S READY RELIEF will stop the most distressing and violent pains, either internal or external—Nervous, Neuralgic, Bilious, or Rheumatic.

A FIXTURE IN THE FAMILY.—Every family should keep a supply of RADWAY'S READY RELIEF in their houses—it is useful in so many ailments—it is always beneficial; it guarantees a sure cure for Cholera, if taken in its first symptoms. If used when violent epidemics prevail, it will save life.

R. R. R.—No. 2—RADWAY'S RENOVATING RESOLVENT.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT removes away all diseased deposits that have been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT is directed first to the chronic affections, then immediately to the blood, which it destroys by its alternative action over the glands and the liver, pancreas, kidneys, &c., (which are the severs that nature has established for purifying the blood). You will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF RENOVATING RESOLVENT. It removes away diseased deposits; it purifies the blood, and reinvigorates the system. Tumors are removed and dissolved by the operation; Chronic Swellings are dispelled; Nodules are removed and melted away. Skin Diseases disappear under its action; Scrophulous constitutions are removed, and the disease checked wherever it has attacked the system. Syphilis, with all its horrible train of consequences, here find a certain and infallible cure; and Consumption, too, often finds its master. For Chronic Dyspepsia, RADWAY'S RENOVATING RESOLVENT is not only an efficient, but quick cure.

BROCHURER.—We know of no remedy, nor of any treatment that will so quickly and effectually cure Bronchitis as the RADWAY'S RESOLVENT. It is in my opinion the best of RADWAY'S RENOVATING RESOLVENT will be most appreciated.

In Preventive Power.—Many persons, who are not blessed with offspring, if the difficulty arises from imperfect organs and inconstancy, will find the R. R. R. Resolvent of great benefit.

DYSPEPSIA, WATER BRASH.—This distressing disorder is generally the result of a low grade of Chronic Inflammation of the Stomach. The patient, who generally feels well enough when the stomach is empty, is afflicted with the most distressing symptoms on taking food. Water Brash eructations, burping, heart burn, pain at pit of stomach, &c. This disease is generally accompanied with constipation.

THE MEDICAL ADVISER.—Resolvent three times per day after meals, do not spoonful. One Resolvent on going to bed at night, to keep the bowels open and regular. When the heart Burn is very distressing, a dose of the Relief taken in water will promptly relieve it.

The public may rely upon an effectual cure of the following diseases by using the Renovating Re-

solvent:

Chronic Rheumatism,

Tumor, Ulcers,

Skin Disease,

Glandular Swellings,

Hacking dry Cough,

Cancerous Affections,

Syphilitic Constitutions,

Rickets,

Gout,

Sciatica,

Stomach,

Diarrhoea,

Brachitis,

Consumption,

Liver Complaint.

R. R. R.—No. 3—RADWAY'S REGULATORS.—THE THIRD GREAT MEDICAL DISCOVERY OF RADWAY & CO.—One Regulator is sufficient to regulate the Bowels, Liver, and Pancreas, and a healthy and harmonious discharge of their functions.

This will insure a pleasant discharge from the bowels at a regular period of time every day.

One of RADWAY'S REGULATORS is superior in point of unified strength and efficacy, to six of the most popular and best approved Cathartics Pills.

All Purgative or Cathartic Pills are made from the crude materials of their composition: the lax and active principles are combined together, and the pills are made up of this compound mass, so that but of six pills the patient has to swallow, all the really and truly medicinal virtues of the same would not make more than two pills. Every chemist well knows that out of the crude materials of drugs, roots, herbs, leaves, plants, &c., there is only a yield of one tenth of medicinal virtues.

We seriously believe that more durable are obtained by overlooking the system with useless and trifling ingredients. No specific should be given to a patient than what is necessary to produce the desired effect, and to overload the system with useless drugs is not only checking the action of active virtues, but is inflicting serious labour upon the already shattered constitution.

R. R. R. Remedies are based upon this principle—that is as much difference, in point of strength and efficacy, between RADWAY'S Regulators and all other Cathartic Pills, as there is between quinine and common bark, or morphine and opium.

RADWAY'S REGULATORS, therefore, are the best pills for the sick to take, one being sufficient in all ordinary difficulties, and two possessing a greater and better power than any six of the most popular.

RADWAY'S REGULATORS are a certain cure for Costiveness, Indigestion, Liver Complaint, Kidney Complaint, Jaundice, Head Aches, Nervosities, Melancholy, Diseases of the Bladder. FEMALE DIFFICULTIES.—Locherorrhœa, Fleur Albus, Whites, and Irregularities of all kinds. BILIOUS DISEASES.—Bile on the Stomach, Bilious Colic, Enlargement of the Spleen, and all Chronic Affections of the Liver and Kidneys.

RADWAY'S REGULATORS are most carefully prepared from extracts and galls of trees, plants, roots, and herbs. There are no pills purchased in them will upon the Liver, Pancreas, Bowels, the Salivary Glands and Nerves, &c., so pliantly and conveniently as the R. R. R. REGULATORS. No pills can be taken for any length of time with the same safety to the constitution; for, instead of debilitating the system by powerful and drastic purging, they act pleasantly upon the bowels, and impart strength to every nerve and tissue of the body.

One of the REGULATORS, taken on going to bed, will insure a regular and healthy discharge from the bowels in the morning. In cases where eight or ten of the common pills are used for free evacuations, two or three of the REGULATORS are sufficient.

NO CALOMEL.

or other poisonous drugs enter their composition—they are entirely vegetable. They are pleasant to take, elegantly coated with a medicinal gum, are perfectly tasteless, and free from smell. No person will feel any disagreeable symptoms from taking a dose of REGULATORS.

CAUTION.

There is a counterfeit Ready Relief in the market; the labels are very similar to the labels on the genuine. Purchase only of authorized agents, and inquire of the person you purchase from if they know it to be genuine. If you do not feel relief from pain in fifteen minutes, take up the label of the bottle you purchase, and inform us from whom you purchased.
