

ONLY TABLETS MARKED "BAYER" ARE ASPIRIN

Not Aspirin at All without the "Bayer Cross"

The name "Bayer" identifies the only genuine Aspirin—the Aspirin prescribed by physicians for over nineteen years and now made in Canada. Always buy an unbroken package of "Bayer" tablets of Aspirin, which contains proper directions for Colds, Headache, Toothache, Earache, Neuritis, Lumbago, Rheumatism, Neuralgia, Joint Pains, and Pain generally. Tin boxes of 12 tablets cost but a few cents. Larger "Bayer" packages. There is only one Aspirin—"Bayer." You must say "Bayer."

Aspirin is the trade mark (registered in Canada) of Bayer Manufacture of Monopropolis, to assist the public against imitations, the Tablets of Bayer Company are stamped with their general trade mark, the "Bayer Cross."

POTATOES AND GARDENING

What reason there has been for the extraordinary rise in the price of potato is not clear. The blame is laid on United States buying to help cover a shortage across the border. But potatoes are held in car-lots at many points, passing from one speculative hand to another, merely

on the strength of a bill of lading, and the price is shoved higher each time. Potatoes are \$6 a bag, and there is no protest from any authority in the name of the consuming public. If the public complacency will endure a price six times as high as the pre-war price for a necessary, that is the base of nearly all meals, then the extortion will not abate. But the

high price will surely turn extra attentions to back-yard gardening this year. Toronto back-yards and vacant lots produced \$100,000 worth of vegetables in the war period. If potatoes were generally grown this season, in the vacant and soil in and about the city, two months' supply might be produced locally. But the gardening fever does not seem to be epidemic, and perhaps the Colorado beetle will find his fodder rather short. During the food shortage back yard gardening was a matter of patriotism but today the food shortage is much greater than it was then. We shall see if back-yard gardening can be made a question of pocket. If potatoes at \$6 a bag are not sufficient motive, then the outlook is hopeless, and the country will have to go on until mounting food prices force partial depopulation of the congested cities and towns, and repopulation of the farms.

POTATO BOYCOTT GAINING GROUND

MANY RECRUITS SWELL RANKS OF THOSE WHO ARE "FASTING"

TORONTO, April 23—The potato situation becomes more interesting each day as more organizations endorse the protest against high prices and agree to restrict their diet for a month, by which time it is hoped, that the familiar tuber will have been reduced to prices more suited to its humble origin and history. Through the enterprise of the Regent, Mrs. W. R. Jackson, the Municipal Chapter of the I.O.D.E., comprising 38 primary chapters with a membership of about 3,000 women, have agreed to the potato fast of one month. The annual meetings of the Women's Liberal Association and the Women's Patriotic League also took favorable action yesterday.

STANDS OR FALLS BY EXCESS PROFITS TAX

LONDON, April 23—Austin Chamberlain, Chancellor of the Exchequer, announced in the House of Commons today that he intended to stand or fall by his original proposal to increase the excess profits tax to 60 per cent from the present 40 per cent rate. The Chancellor said, however, that if proposals subsequently were introduced for the taxation of war acquired wealth the extra 20 per cent would be remitted.

Digestive Troubles Cause Distress

But They are Nearly Always Due to Thin Watery Blood.

Do not think that because your stomach is easily upset you are the victim of some serious malady. One of the most common predisposing causes of indigestion is anemia, of thin watery blood. In fact it has become generally recognized, that healthy activity of the stomach is impossible unless the blood is rich and red.

Dr. Williams' Pink Pills have been found most valuable in cases of indigestion, nervous dyspepsia and stomach weakness, just because they are a blood builder and nerve tonic. The rich red blood they make not only imparts a healthy digestion, but carries color to the cheeks and lips and gives vigor to the muscles. One important point to remember is that Dr. Williams' Pink Pills contain no harmful drugs or opiates and are thus to be preferred to preparations that merely stimulate for a time. Before you begin worrying unnecessarily about your state of health, try the tonic treatment of Dr. Williams' Pink Pills. You will be surprised to see how rapid your appetite returns and your whole debilitated system revives, as the body. Here is the statement of one the new, rich blood courses through person among thousands who have used Dr. Williams' Pink Pills to their own great advantage. Mrs. A. Ventot, Homford, N.S., says: "For about two years I was a great sufferer from indigestion, which seemed to carry with it a complication of other troubles. Every meal I took brought with it misery, as it was followed by pain, and sometimes nausea and vomiting. At other times gas would form in the stomach to such an extent that my heart would palpitate at an alarming rate. These conditions brought on extreme nervousness and irritability, and I found my general health so much affected that the least exertion would tire me and I slept but poorly. I had been doctoring for several months with no result beyond temporary relief, when I was advised by a friend to try Dr. Williams' Pink Pills. I decided to follow this advice, and got a half dozen boxes. Good results soon began to show from this treatment, and the further continued use of the pills have made me a well woman. I can cheerfully recommend Dr. Williams' Pink Pills to similar sufferers."

You can procure Dr. Williams' Pink Pills through any dealer in medicine or they will be sent you by mail at 50 cents a box or six boxes for \$2.50 by writing direct to the Dr. Williams' Medicine Co., Brockville, Ont.

NEW YORK, April 23—Five men are under arrest today. Five tons of stolen silk valued at \$218,000 have been recovered and the police believe a band of thieves who have stolen millions of dollars worth of merchandise from freight cars in the last two years has been unearthed. Further arrests are expected.

The men under arrest were captured in a roadhouse at Mespeth, L.I., after a fight with detectives. The recovered silk was found in a garage near the road house. The police assert it was stolen March 8 from a freight car in the New York Central yards.

PROTECT THE PUBLIC

St. John Globe:—Not all the concerns which sell securities can be classed as public utilities. Real protection can be secured by an act requiring in connection with the public or private sale of any securities the presentation of a bona fide financial statement, guaranteed by the Auditor-General, and containing information which it is the right of every investor to have, of the true position of the company, set out in such a way that there can be no misunderstanding of its position, the manner of its organization, or the use made of the money it receives. The Canadian Press went on record at its last annual meeting as favoring the publication in connection with all financing of facts which will give the prospective investor all the knowledge he should have. Then the press can tell what advertising is honest. Then the investor can know whether or not he has a fair chance for a square deal. Federal and Provincial laws should all aim to support the press in their efforts to guarantee the public against a form of fraud that has fished millions from confiding investors.
