Four young men were out boat sailing in Charlottetown harbor on Sunday after moon, when their boat was struck by a squall, and all four were thrown into the water. Fortunately they were picked up by the Ferry steamer. Their boat was rescued by Mr. Jefferson Gardner.

Ar Hazelton, Pa., on Friday last, two or three sticks of andy, tart of which, was colored green, was brought to school by a scholar and distributed among the children. Shortly afterwards twenty children. Shortly afterwards twenty-one of the scholars became very ill and showed signs of being poisoned. None of the victims have died.

Pustmaster Brecken returned a fer days ago from a trip to King's Co., where he has been holding official investigations in the matter of letters found enclosed in packages of newspapers. Several partie were convicted of thus defrauding th mails, and it is the intention of the Depart-ment here to punish soverely all offences of this kind.

Three new world's bicycle records were made by John Johnson at Watiham Mass. on Friday last, half-mile flying start, with pacemakers, 54 secs.; quarter-mile, 26 4-5 socs, slower than record time. On the soes, slower than record dime. On the home stretch Johnson spurted ahead of the pace-makers and lowered the word's record for a half by 34 secs. Johnson smashed the world's record for a two-third's mile, doing it in 1.11 4.5 secs.

The new Ferry boat, "Hillsborough," was tested on Friday last. Messrs. Olive and Waring, Dominion inspectrs of machinery and hulls were on board also Premier Peters, Hon. J. R. McLean and a number of others. She started from the Ferry wharf and ran out to the Block house hour. Much satisfaction was a house bouy. Much satisfaction was ex-pressed by those on board, with the result of the test, the steamer proving herself of excellent speed capacity.

The Steamer "Elliot", belonging to Captain McMillau of this port was lately taken to Pictou, as we announced in our last issue. This was for the purpose of last issue of a mysterious leak. last issue. This was for the purpose of discovering the cause of a mysterious leak. A survey of the steamer was made ou Thursday last, by Captain Hill, and the result is, thus described in the Halifar H rald. Just as he was about finishing the survey what looked like the top of a bolt was seen protruding from the steamer's side below the water line. An examination showed that the steamer had er's side below the water line. An ex-amination showed that the steamer had amination showed that the steamer had been struck by a eword fish and that nice inches of the aword was imbedded in the ship's side. This was removed with difficulty and will be placed on exhibition in Halifax. The piece of the sword went through a five inch spruce plank, also three inches of birch. The "Ellior" sailed from Pictou on Eriday last for Bluefields (Nicaragua) where she has been chartered to carry fruit, from that port to Savannah during the next six months for the same merchants who employed her last winter. This is a guarantee that she suits their the side of the sword went that there was not so much fire as smoke. About five tons of slack coal in the cellar was the source of the fire. It had evidently beated and conbustion had started spontaneously. The firemen soon controlled the flames. Earlier on the same evening an alarm was sounded for a fire on Prince Street.

Mater Sts. Volumes of smoke were is suing from the highest windows of the estimation of the collar windows of the establishment. It looked as if a great fire not cent for compensation on the New Road at Johnstons River, Lot 35, did not receive Seventy-five dollars not even on cent for compensation on the New Road at Johnstons River during the year of last was the source of the fire. It had evidently beated and conbustion had started spontaneously. The firemen soon controlled the flames. Earlier on the same evening an alarm was sounded for a fire on Prince Street.

WRITING ON THE WALL

We claim and hope to command, the attention of the public of P. E. Island to our announcement of Fall Clothing. A change of season is something that cannot be ignored, as style follows the season as closely as the cart follows the horse. It's enough to give one a chill to wear a summer outfit in autumn and to meet Jack Frost with a duster. The moment our fall stock arrives, it's time to arrive at the conclusion to look fallish in something new from our unequalled clothing array. Come now, buy suits that are the reflection of Fashion, at prices low as they fairly can be sold. Our stock of Fall and Winter Ulsters and Overcoats are the best value we have ever offered. Dou't fail to try us when you want to buy.
