CALGARY 5, EDMONTON 1.

By way of "an avenger" the Irishmen defeated another game to Calgary at Diamond Park last night. It was the third in four and by no means a pleasant leave-taking. Here's good news for the Irishmen and bad news for the Calgary boys. They came back to Edmonton in something better than the basement position.

There was nothing unusual about the game last night, saving the unfortunate death of Chandler, Calgary's second baseman, who had a small bone in his ankle in adding to first base in the sixth inning. He was first to be hit by the ball, which was pitched by Dr. Egan. The ball struck him in the ankle and he was taken to the hospital and died there.

In the third innings with two men out, Grady got first on Sheehan's error. O'Brien singled and Brennan walked, filling the bases. But there was nothing doing as Burridge went out at first on a hot drive to short-stop.

The visitors scored in each of the first four innings. A sacrifice by Zwicker and hits by Connor and Smith scored Donovan, who had singled, in the first. Parker came in on Sheehan's two-base hit in the second. Donovan scored again in the third on a single by himself. Zwicker's neat sacrifice, and Connor's hit, were the only runs scored.

HAT 7, LETHBRIDGE 3.

Lethbridge, July 15.—The Mad Hatters took the afternoon game in the first two innings when an assortment of hits, bases and errors netted six runs. After that Killaly held them down. Miners hit hard but ineffectually. Simon both at bat and in field was the hero of the day. Wilson and Killaly also hit hard. Lethbridge players were shifted around owing to lack of second basemen. The game was halts and slow.

Summary.—Earned runs, Medicine Hat 4, Lethbridge 2; three base hits, Bell, Killaly; two base hits, Zimmerman 2, Wilson; sacrifice hits, Ward, Jack Corrigan; stolen bases, Joe Corrigan; base on balls, off Whisman 2, off Killaly 3; struck out, by Whicker 2, by Killaly 4; passed balls, Killaly 2; left on bases, Medicine Hat 7, Lethbridge 11; time 1:50; attendance 100; umpire, Vasey.

NEW MOTORCYCLE RECORD.

He wrecked his machine, but escaped with a swollen foot and an arm terribly cut and bruised.

CALLIES DEFEATED BY ST. GEORGES 1-0

City Championship, However, Goes to Callies, 2-1 on Total of Goals Scored in Two Final Games.

Wednesday night, before a thousand most enthusiastic spectators, on the Second Street grounds, St. George's defeated the Callies by one goal to nothing in the second game of the city championship series. St. George's won the first game, 2-1, on the first night, but the Callies against a very strong team. Right from the start each team played for all they were worth. Each side were attacked in turn, the ball travelling from end to end very rapidly. After 15 minutes the Callies had a chance to score, but a forward was fouled in a quick succession, but the ball re-bounded off an opponent each time, then struck the upright and was cleared. The St. George's had several chances again at the other end, after several shots had been sent in, but they were all terrifically off target. This proved to be the only scoring in this half. Interval.

THE SECOND HALF.

On resuming, each side put renewed energy into their play and the spectators were treated to a very fast exciting game. The Callies got away repeatedly brought the play into the Callies' territory, but could not add to their score. THE PLAYERS.

For St. George's Parish had very little to do in goal. Bentley and Lovelock played a grand game and kept the play well in the Callies' territory. Thompson, Ruff and Grimble all played well at half-back. Ruff and Grimble were particularly good. In the forwards, Francis and Tompkins were the stars. Francis, in the second half, played a grand game, repeatedly getting past Cowan and McKennie, and putting across lovely goals. The forwards could not get going properly, owing to the strong defence against them.

THE SITTER FEAT.

England have been beaten often enough, and they will doubtless be beaten often again; but had Jessop and Breeley been in the team, instead of course, quite possible that the Australians would still have won. But it is better to remember that we have the men and did not use them.

BORRY SHOWING IN TEST MATCH.

England was completely outplayed by the Australians in Second Games. The second test match when English cricketers felt hopelessly before the Australians. Sporting Life has the following comment: "The match is one that most of us would prefer to forget as soon as possible. From first to last it contained scarcely anything of which we could feel proud. The batting was poor in the first innings, and watched in the second; the bowling was not worthy of England on a fast wicket, the catching and ground fielding were very poor. The Australians, the Colonials began the game under a cloud. They had a very poor record behind them."

FOUGHT TO THE LAST.

Moro's Leader Resisted U. S. Troops Till He Was Killed by Bullet.

Hunted from place to place by the regulars and constabulary who had been in close pursuit, Jikiri, with several followers, two women and one child, took refuge in a cave that pierced the side of the crater of an extinct volcano. Here the outlaws gathered to make their last stand. As the soldiers came up the scouts located the party, and the troops worked their way around the place, until entirely surrounded, and there was no chance of escape.

Captain George L. Bryan, of the Sixth cavalry, who commanded the attacking force, then ordered a white flag to be displayed and through his interpreter called upon Jikiri to surrender. There is every reason for stating that the House conference will ultimately accept the tax. The president has committed himself irrevocably to it. WANT A CENTRAL EDUCATION BUREAU.

Dominion Educational Association Considers Scheme for Broadening its Usefulness.

Vancouver, B.C., July 14.—The Dominion Educational association this morning considered the question of the future of the association. J. Brough, of Vancouver High school, suggested as a means of increasing its usefulness the appointment of a permanent secretary at a fixed salary, systematic effort to enroll every teacher, the holding of conventions more frequently, the provincial government to be represented by direct representatives, publication of reports of convention in book form, publication of a magazine devoted to national education and the establishment of a bureau of education by the Dominion government at Ottawa. The subject was discussed at length, the being opinion to some points. Prof. James of Victoria university, Toronto, pointed to the danger of a bureau at Ottawa as it might cause trouble owing to the difference of races and creeds in Canada. Supt. Greenwood, of Kansas City school, gave some good advice on the bringing of all classes of people in the country into line as citizens. The United States has had experience of good done by public schools in this way. A committee was finally appointed consisting of Dr. Scott, of Calgary, Dr. A. H. McKay, superintendent of education, Nova Scotia, Prof. Lang, of Toronto, Brough, of Vancouver, Prof. McCall, department of education of Saskatchewan and M. J. Robertson, of Montreal, to take the matter up and have it referred to the provincial associations before the next convention.
