BASE BALL NOTES.

The Pastime Base Ball Club and the Victorias had a match game in Acton on the 24th inst., which resulted in a severe defeat of the Victorias. Score, 34 to 7.

A base ball match came off in Erin Village on the 24th between the Hillsburgh Club and the Erin Club. The Erin Boys made 59 runs and the Hillsburgh 23, the Hillsburgh Club withdrawing the game at the 7th innings.

In the match on Monday between the Atlantics and the Athletics, on the Union Grounds, Brooklyn, after a splendid display of fielding, the Atlantics were defeated by one run. Score 4 to 3.

On the same day the Philadelphias defeated the Resolutes of Elizabeth, N.J., by a score of 7 to 2.

The Pope, it is stated, contemplates anathematizing the members of the Italian Cabinet, and all other parties engaged in secularizing the monasteries.

A WARNING.—Let Canada take warning. An exchange remarks:—"It turns out that the financial crisis in Austria was the result of over banking and over speculating, like the crash of 1825 in Britain, or 1837 and 1867 in America. The same insane eagerness to get up companies of every kind, the same great profits made by rise in shares, the same difficulty to obtain a working capital for these companies, the same collapse and wide-spread ruin, and the same open or disguised suspension of the banks characterize all these crises. Germany has been thought too sedate for such over trading, but men are men everywhere."

MANITOBA.—The Governor in Council has ratified the action of the Board of Education at its recent meeting in altering the bounds of certain school districts, and in erecting the Roman Catholic School in Winnipeg into a separate school, under the provision of the Education Act of last session. * * * It is expected that this spring there will be an unusually large importation from Minnesota of cattle, pork, hams, bacon, fowl, eggs, butter, cheese, flour, oatmeal, &c. Reason why—the demand is largely ahead of the local supply.—*Manitoban.*

BREAKFAST.—EPPS'S COCOA.—GRATEFUL AND COMFORTING.—"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills."—*Civil Service Gazette.* Made simply with Boiling Water or Milk. Each packet is labelled—"JAMES EPPS & Co., Homœopathic Chemists, London."

Men make steam engines of themselves from morning till night, and vice versa, dream of gold. The fearful strain upon the nervous system by thus taxing the mind produces not only Heart Disease, Dyspepsia and Lung Maladies, but is often the direct cause of Apoplexy, Insanity and Suicide. It is very remarkable that during the world's progress discoveries are made suitable to the times. Hardly had man become prepared for speedy transit when the railroad and steamboat were introduced, and the desire for rapid intelligence developed the telegraph.—Coals are usually discovered as wood becomes scarce, and now when men's minds are being taxed to the utmost in order to secure and enjoy the luxuries of an extravagant age, Fellows' Hypophosphites appear, that they may by artificial means keep up this mental strain to an indefinite extent.

"A Wonder of Medical Science," may well be applied to Dr. Wistar's Balsam of Wild Cherry. It is nearly half a century since this remarkable remedy was introduced to the public, and yet the immediate and enviable reputation which it gained by its wonderful cures of coughs, colds, whooping cough, sore throat influenza, consumption, and all bronchial complaints, is to this day fully sustained.

PHOSPHOROUS, Lime, Iron, Calisaya or Peruvian Bark. Dr. Wheeler's Compound Elixir of Phosphates and Calisaya combines these valuable remedies in the form of a delicious cordial. Phosphorous, a brain food; Lime, an excitant of nutrition; Iron, a blood maker; and Calisaya or Peruvian Bark, the only specific for chills and fevers, and all conditions of nervous prostration and general debility. Phosphates are the only agents known that act immediately on the stomach, perfecting the digestion and assimilation of food, and determining the formation of pure blood. No combination ever discovered is so remarkable in building up constitutions run down with old complaints that have heretofore resisted all ordinary methods of treatment. Sold by all druggists.

The concert and distribution advertised for April 8, is therefore postponed to TUESDAY, JULY 8, 1873, on which day, and no other, they will positively and unequivocally take place in the Public Library Hall, Louisville, Kentucky.

The remnant of unsold tickets will be furnished to those who first apply (orders accompanied by the money always having preference over agents) at the following prices: Whole tickets, $10; halves, $5; and quarters, $2 50; 11 whole tickets for $100; 56 for $500; 115 for $1000; and 575 for $5000; No discount on less than $100 worth of tickets at one time.

The music on this grand occasion will be the best that can be procured, and the gentlemen who conduct and place the tags and gifts in the wheels and superintend the drawing and keep the record of the drawn numbers will be chosen from the best known and most trustworthy citizens of the State. All will be so conducted as to be a perfect guarantee against complaint from any just source.

The payment of gifts will begin on Saturday, July 12th, at 9 o'clock, a.m. Tickets drawing gifts must be presented at room No. 4, Public Library Building, where cash checks upon the Farmers' and Drovers' Bank of Louisville, or Sight Drafts upon the Fourth National Bank of New York, at the option of the holder, will be given for the tickets. All gifts not called for in six months from the drawing, will be turned over to the Public Library fund.

It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

ONLY ONE DOLLAR.

10,000 SOLD!

It is safe to say that of all the Inventions of the present day, none have created more astonishment than THE LONDON REPEATING WATCH. The idea of making a Watch for the small sum of ONE DOLLAR seems an utter impossibility, but it has been accomplished, and the most perfect time indicator produced which the world has ever seen. Besides that, each Watch comprises a Compass and Sun Dial without extra cost. The London Repeating Watch is got up on the most elegant style, with a handsome case of Gold Metal (which is an exact imitation of gold), glass crystal, steel and metallic works, and a white enamelled dial, and is of the size of an ordinary Watch. Each one is warranted to *denote correct time*, and to *keep in order for two years.* Enclosed in the same case is a Sun Dial, and a perfectly accurate Compass, worth of itself twice the amount charged for the whole Watch. Everyone wants one. Every boy can now have a Watch for himself. Agents, Pedlars, etc., make $10 a day selling them. A sample sent on receipt of $1 or five for $4. Send all sums over $2 by registered letter to the manufacturers agents for Canada.
