

## Disease Comes Through Mouth

To Cure Common Ailments the Blood Must be Made Rich and Red.

Nearly all the common diseases that afflict mankind are caused by bad blood—weak, watery blood poisoned by impurities. Bad blood is the cause of headaches and backaches, lumbago and rheumatism, debility and indigestion, neuralgia, sciatica and other nerve troubles. It is bad blood that causes disfiguring skin diseases like eczema, and salt rheum, pimples and eruptions. The severity of the trouble indicates how impure the blood is, and it goes always from bad to worse unless steps are promptly taken to enrich and purify the blood. There is no use trying a different medicine for each disease, for they all come through the one trouble—bad blood. To cure any of these troubles you must get right down to the root of the trouble in the blood. That is just what Dr. Williams' Pink Pills do. They make new, rich, red blood. They simply purify and enrich the blood, and the disease disappears. That is why Dr. Williams' Pink Pills have cured thousands of cases after other medicines had failed. Here is a proof of the power of Dr. Williams' Pink Pills to cure. Mrs. M. Stills, who resides near the town of Napanee says: I cannot praise Dr. Williams' Pink Pills too highly. I was very much run down in health, suffered from frequent spells of indigestion, biliousness and sick headache. I had an almost constant pain in my head and my housework was a course of dread. In fact I felt so miserable that life held but little enjoyment. I was advised to try Dr. Williams' Pink Pills, which I did, and the result was simply marvelous, and can best be summed up by saying that they made me feel like a new woman, and fully restored my health. I would advise every woman and girl who has poor blood, or is run down in health to give these wonderful pills a trial. I am never without them in the house.

At the first sign that the blood is out of order take Dr. Williams' Pink Pills, and note the speedy improvement they make in the appetite, health and spirits. You can get these pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

**REV. THOMAS J. MITCHELL**  
Who has tendered his resignation as pastor of the Aylmer Baptist Church. Rev. Mr. Mitchell began his work in Aylmer on December 22nd, 1913, and has had the most successful pastorate in the history of the church, which is a record of which he may well be proud. His resignation is to take effect on June 22nd, next, and early in July Mr. and Mrs. Mitchell will return to the land of their birth—Bonnie Scotland. They will carry with them the esteem and best wishes of our citizens of every denomination.

### ADDITIONAL LOCALS

Mrs. W. Hoag and daughter, Miss Susie, returned home yesterday after spending the winter in Chicago.

Nursing Sister, Alice G. Turner, daughter of Mr. and Mrs. James Turner, St. Andrew street returned home from overseas last Sunday, after nearly three years of service with the C. A. M. C. Miss Turner who has the rank of Lieutenant, is a graduate nurse of Victoria hospital, London, and in 1916 enlisted with the 10th Canadian Stationary Hospital Unit, otherwise known as the Western University Medical Corps, and on June 22nd, 1916, sailed for England. They were seventeen days crossing the Atlantic and on arriving in England were given six days of sight seeing. On July 12th she went to France and was stationed at No. 1 Canadian General Hospital, Etaples, which was also a clearing station for the wounded. Her arrival in France was just at the time of the heaviest fighting on the Somme in which the Canadians suffered heavy casualties, and the doctors and nurses labored almost day and night, looking after the wounded. After twenty months at Etaples she was transferred to Calais where she labored for thirteen months. It will be remembered that Calais was an objective which the Germans were particularly anxious to capture, for they thought it would then give them a better opportunity to strike at England. Consequently Calais was besieged with air raids and during her stay there 1030 bombs were dropped on the city. The Germans seemed to take delight in bombing the hospital and the staff experienced many narrow escapes. On one occasion the hospital kitchen was completely wiped out with bombs. Miss Turner visited many battlefields in France and says the country is completely ruined. We in Canada have no idea what the French and Belgium people have suffered, and cannot realize what our Canadian boys have gone through. She spent a month in England before returning home, where she visited her brother Mark L. Turner, of Edmonton, who is still at Witley camp. She has been given her discharge and will spend a few weeks at home enjoying a well-earned rest.

### SPRINGFIELD

Miss Lena Winters is busy flying around getting ready to leave this part of the world. She will be greatly missed.
