

## CAN MANUFACTURE LIQUOR FOR MEDICINE UNDER U. S. DRY LAW

Permits Making For Scientific and Sacramental Use.

### ONE PINT MONTHLY LIMIT

Physician Cannot Prescribe More Than That Amount For One Person.

WASHINGTON, D. C., Feb. 10.—Constitutional prohibition, effective at present, and the enforcement legislation enacted by Congress, made the following provisions:

Declare unlawful the manufacture or sale of any beverage containing one-half of one per cent or more of alcohol.

Declare places where liquor is sold in violation of law to be common nuisances, and the enforcement powers given prohibition enforcement officers, except for the search of private dwellings unless used for the unlawful sale of intoxicants or in part as places of business.

Liquor seized to be destroyed, and proceeds paid into the United States treasury.

Advertising of liquor by any method prohibited.

Permit manufacture at home for personal use of non-intoxicating elixirs

and fruit juices. While "non-intoxicating" is not defined specifically, the term "intoxicating" is construed by law to mean one-half of one per cent or more of alcohol.

Permit manufacture of alcoholic liquors for sacramental and medicinal uses, under restrictions.

Permit possession of liquor in home if purchased before prohibition became effective.

Physicians prohibited from prescribing alcoholic liquor for patient unless in good faith they believe it will afford relief from ailment. Not more than one pint can be prescribed in any month for one person.

Complete records of sales, including names of persons obtaining liquors, required of manufacturers and druggists.

Various penalties for violation fixed, the most severe being \$2,000 fine and two years imprisonment.

## FIRE CAUSES LOSS OF \$12,000 AT GALT; ORIGIN IS UNKNOWN

M. O. H. Orders Schools, Churches and Theatre Closed As Precaution.

GALT, Feb. 10.—Fire of unknown origin broke out in the Henry block at Hespeler early today caused about \$12,000 loss, made up as follows: T. D. building and stock of groceries of Geo. Henry, \$5,500, partly covered by insurance; Hespeler Herald, owned by G. Hudson, \$1,000; J. C. Kreg, tobacco, \$2,000; I. O. O. F., \$400, and G. Wilson, tenant, \$300. The blaze was discovered when an electric motor in the Hespeler Herald plant on the third floor crashed through to the second floor, awakening Mr. Wilson, who sent in the alarm. The firemen did splendid work in saving the block from total destruction.

## CAUGHT IN BELT; THOROLD MAN KILLED

ST. CATHARINES, Feb. 10.—Wilfred Mills, an employee at the Ontario Paper Mills, Thorold, was instantly killed today by being caught in a belt while at work.

GUELPH MAN PAYS \$19.80. PRISTON, Feb. 10.—Early on Sunday morning Chief Crawford arrested a man whom he found prowling round the residence of Cyrus Delph in a drunken condition. The man claimed to have come from Guelph, and when brought before the magistrate yesterday pleaded guilty to being drunk and disorderly. He was fined \$19.80, including costs.

Leaders in the local Inter-Church Forward Movement campaign are confident that Preston will exceed the objective set for the thank-offering canvass by a considerable amount.

The parks board is planning a number of improvements at Speed Park this year which it is believed will make it one of the finest and most up-to-date parks in Western Ontario. The work will begin as soon as the weather permits.

## RECEIVED HERE TODAY OF THE DEATH OF ANDREW MATHESON, A FORMER WELL-KNOWN GALLANT.

He left here shortly before Christmas to go into business in the border city. He was born near Galt and spent practically all his life here, being an employee of the Goldie & McCulloch Company for a great many years.

## SERIOUSLY HURT BY RUNAWAY AT BLYTH

BLYTH, Feb. 10.—Robert Powell was seriously injured today when he was knocked down and dragged about 25 feet by a runaway horse. His apparent injuries are a severe cut on the head and a broken rib, but the doctor called to his aid also fears internal injuries. The runaway horse, owned by Joseph Truman, was standing at the C. P. R. depot when it was frightened by an incoming train and bolted down the main street, part of which it traversed on the sidewalk.

Mr. Powell was struck by the runaway just as he was coming out of the butcher's store. Two plate glass windows were also smashed by the swinging cutter as the horse dragged it along in its wild career.

MEMORIAL HALL FUND. As a result of a return to active canvassing for the memorial hall fund \$2,000 was collected during the past week, bringing the total now subscribed to over \$10,000. The bad condition of the roads tied up the work of canvassing for several weeks. Folders for the work will be asked for shortly and it is hoped that voluntary subscriptions will make an valuable contribution for the council for aid necessary.

On Friday evening a valentine box social will be held in the I. O. O. F. hall under the auspices of the Women's Institute.

MUCH SLEEPING SICKNESS. SPRINGFIELD, Ill., Feb. 10.—Sixteen cases of sleeping sickness were reported to the Illinois State Department of Public Health during the week ended yesterday. Numerous cases of the disease followed the recent epidemic of influenza.

## NOTED BRITISHERS DIE

LONDON, Feb. 10.—(By Canadian Press).—The deaths are recorded of Sir Thomas Welsh, academic political student, Dr. Varley Roberts, organist of Magdalen College, Oxford; Gwilym Thomas, one of the finest Welsh singers; Earl Galloway and James Gardiner, the famous naturalist.

## COLDSTREAM U. F. O.

Society Celebrates Its Third Anniversary—Many New Members. COLDSTREAM, Feb. 10.—The Coldstream U. F. O. opened its third year with a boom. A contest was held between the January and February meetings to increase the membership, which resulted in enrolling many new members. The meeting on February 3 was the largest ever held. Music readings and debate formed the program, and the debate was a very interesting one. At the business session it was decided that a U. F. W. O. should be started.

During last year the L. C. and D. operative company was organized with John E. Campbell, president, and John W. Graham, secretary. The company purchased the elevator at the C. P. R. station, Komo, and a large and profitable in and out shipping business was contracted, which is continually growing in volume.

The officers of Coldstream Club are as follows: President, Arch McGowan; first vice-president, S. P. Brown; second vice-president, John McCallum; secretary-treasurer, Howard V. Zaritz; directors, R. A. McFarlane, Myron Linton, Herbert Tomlinson, Arch. D. Merritt, Arch. Crawford and Rev. Mr. Merry.

The regular date of meeting is the first Tuesday evening in each month.

## DISORDERLY HOUSES RAIDED BY POLICE IN ST. THOMAS

Both Cases Are Adjudged by Magistrate For Further Investigation.

## CHARGED WITH STEALING

ST. THOMAS, Feb. 10.—Two cases of keeping disorderly houses came before the city police court today. The police particulars were disclosed until today. In one case a city fireman who is married and has several children, is charged with being a frequenter, and a woman who recently left her husband and who had been residing in Station street, is charged with being a keeper. The other case is that of a woman who with her son, both face charges of obstructing the police, to gether with a charge of keeping a disorderly house. The case of the woman in both cases are withheld pending further investigation, and the cases have been adjourned until next Monday morning.

A young local lad named Cook appeared this morning in the city police court charged with the theft of a bicycle. The magistrate decided, after the youngster had promised to sin no more and had returned the bicycle in good condition to its owner, to hear the case again on Thursday.

CONVENTION BEGINS. The fifth annual convention of the Lake Erie Fishermen's Association opened yesterday with about 200 fishermen in attendance. The greater part of the day was taken up in various executive matters. The business of the session will begin tomorrow when Mayor Brinkman will welcome the fishermen to the city. Delegates are in attendance from all parts of Ontario and the number of prominent United States fishermen are in the city. Addresses by prominent men will be a feature of today's program. Several Government men and experts in the fishing industry will be in attendance, and some of the leading hatchery experts will give addresses.

WATER COMMISSION MEETS. The water commissioners met today and among other matters decided to enter into an agreement with F. P. Lewis to have several new wells on his farm. One of the present wells will be increased in diameter by five feet. Several of the employees annulled increases in pay, but this matter was referred to the special meeting to be held within the next week or so to discuss the wage question.

TO SPEAK IN LONDON. Several local speakers will attend the social gathering of the London Horticultural Society on Thursday evening next. The society has been asked to provide three ten-minute speakers, the event will be held in the public library.

EXTREMELY NOT SERIOUS. The flu epidemic in this city is not serious, according to a report issued at the medical offices. There are a number of cases in the city, but none are serious. Many people are suffering from severe colds and this is said to be the cause of much alarm among the sufferers. With present precautions the medical men do not anticipate any serious outbreak in this city.

NUMBER OF TRUANCY CASES. County Magistrate Hunt has of late been dealing with a number of truancy cases in various parts of the county. He says that the number of late has been unusually large.

WINGHAM, Feb. 10.—The flu epidemic so far as this town itself is concerned is of a mild form, but in the surrounding country it seems to be a more serious nature. All the doctors for 30 miles round are reported, despite the assistance of a large staff of volunteer nurses, to be working day and night. Several families are reported with four, five, or even more members suffering from the disease, but no deaths have so far been recorded. The doctors are anxiously looking for warm sunny weather, which they believe will prove the most effective stop to the disease.
