### COUNTY PAYS MORE FOR INDIGENT PATIENTS

City Will Collect \$400 Additional From Middlesex in One Year.

At a meeting yesterday afternoon between a committee of the city council and a committee of the county council an agreement was reached whereby the city will obtain approximately \$400 per year additional from the county of Middlesex on account of indigent patients from the county cared for at Victoria hospital. The county, in addition to paying \$1.50 a day for such patients, will be charged with the extra cost of special nurses and other extras. Where out-patient appliances are necessary, the approval of John Stuart, the county's representative on the hospital trust, will be asked on purchases before they are made. This would not result in any inconvenience to the patients, Dr. G. G. Clegg, superintendent of Victoria hospital, explained.

The county was represented at the meeting by Warden Allan McPherson, Reeve John Cousens of Westminister township, Reeve A. C. Hodgins of London township and County Clerk John Stuart, Mayor Wenig, Ald. McKay, City Clerk Baker and City Treasurer Bell, with Dr. Clegg of the hospital, acted for the city.

**BETTER WIVES AND MOTHERS**  
The emancipation of women as evidenced by the evolution in dress from steel stays that made a twenty-inch waist and the long street-sweeping skirts to the sports clothes of the present day has certainly had its effect upon the health of women. With proper attention to diet and exercise a number of letter writers and mothers are assured by it. If, however, ailments develop as evidenced by irregularities, backache, headaches, nervousness and irritability, Lydia E. Pinkham's Vegetable Compound may be depended upon to overcome them. Thousands of women testify to its success.

**Sore Throat**  
It aches and throbs with pain. The tonsils are so swollen that it hurts to swallow. And the chest feels "as tight as a drum".  
If you follow these simple directions, you will feel better—very much better—in a short while. Get a bottle of

**Absorbine Jr.**  
Make a gargle of 1 part Absorbine Jr. to 9 parts of water and use three or four times a day. Also bathe the outside of the throat with full strength Absorbine Jr. Absorbine Jr. is equally valuable for those subject to attacks of sore throat and colds.  
\$1.25 a bottle  
at most druggists or sent postpaid by

### AIRD IS OPTIMISTIC OF TRADE OUTLOOK FOR ALL DOMINION

Retiring President of Bankers' Association Believes Finances Are Sound.

NEILL IS PRESIDENT

Royal Bank Manager Named New Head—Future of Business Discussed.

Canadian Press Despatch.  
Toronto, Nov. 12.—The present prospects in Canada were much more favorable than at any previous time during the past two years, Sir John Aird, retiring president of the Canadian Bankers' association, declared here today at the annual meeting of the association, in the course of a studied survey of the banking and financial outlook of the dominion. With a splendid crop, he asserted, in all parts of the country, and with reasonably good prices, there was a general improvement in business everywhere, and it was a matter of gratification that western farmers were discharging old obligations from the proceeds of the crops, and were improving their financial positions accordingly.

At the election of officers, which followed, C. E. Neill, general manager of the Royal Bank of Canada, was elected to the presidency to succeed Sir John Aird. Other officers were elected as follows: Honorary presidents, Sir Vincent Meredith, Sir George Burns and E. L. Pease; vice-presidents, A. E. Phipps, general manager of the Imperial Bank of Canada, Beaudry Leman, general manager of the Banque Canadienne Nationale, J. A. McLeod, general manager of the Bank of Nova Scotia, and J. R. Lamb, general manager of the Bank of Toronto.

Confidence in Public.  
Evidence was not lacking that there was renewed confidence by the public in the soundness of Canadian banking institutions, and that the banks were well able to afford the necessary financial facilities to business and to do their part in the development of the country.

Referring to Canada's improved trade position, he said: "Relatively, we are buying less and selling more from year to year, and there is no reason why this favorable balance should not be maintained, if prices for agricultural and animal products abroad and for wood and paper, remain at a fair level. There will be no occasion to worry over the large interest payments abroad which we have to make. The improved position of the Canadian dollar in New York in the past two years is without a doubt substantially due to these factors, and to the trade balance." "An announcement in the New York Chronicle, with regard to the delivery of gold bullion by the mine producers to the mint at Ottawa, instead of shipping to New York, as has been the practice in recent years, is confirmatory of an announcement a few days earlier made from Ottawa in the Canadian Press.

**W. B. SAVAGE IS CHOSEN  
MASTER OF FOREST CITY**  
Forest City Loyal Orange lodge, No. 762, last night elected officers for the year. W. Bro. Robert Aitken will be succeeded in the master's chair by William Savage, present deputy. W. E. Elliott, who left the office of deputy master during the war, will fill the post for 1925. W. Bro. James Clouston was unanimously re-elected recording secretary. W. Bro. F. S. Neely, after fourteen years of service as financial secretary, insisted upon retiring and will be replaced by E. Draycott.

The remainder of the list is as follows: Chaplain, W. Wilcox; treasurer, Robert Gibb (re-elected); marshal, W. Klassen; lecturers, F. Harvill and J. Shearer; committee, W. Leonard, T. Levitt, G. Venner, J. Weymouth, W. Green; inside tyler, W. Bro. F. S. Neely.

**ANNUAL Y.M.C.A. BANQUET  
IS BILLED FOR TONIGHT**

The annual members' banquet of the local Y. M. C. A. will be held in the association buildings tonight at 6:15 o'clock.  
J. G. Stevenson, chairman of the men's committee, will preside. Immediately following dinner, Bill Sherwin will lead a sing-song, accompanied by Miss Griffith at the piano. It is expected that 65 members will be present at the banquet. The speaker of the evening will be D. A. Davis, administrative secretary of the Y. M. C. A. in Europe. Mr. Davis is visiting associations throughout the various cities of America.

**MAGAZINE GIVES PLACE  
TO HIGHWAY PUBLICITY**

Community Leadership, a magazine with a continent-wide circulation, carries the following reference in its most recent number, to one of the special community publicity efforts of the London chamber of commerce to attract tourist trade.  
"London, Canada—The Windsor-Niagara highway, the international route, sends out a friendly document, describing the way from Windsor to Niagara Falls. It will serve as an excellent guide book for the motorist."

### Third Cabin Sea Rates Increased

Canadian Press Despatch.  
Montreal, Nov. 12.—Tourist third cabin ocean rates on all lines have been increased by \$15 for the round trip, or \$10 each way, according to an official announcement in steamship circles here today. Ordinary third-class rates remain the same, at \$155 for the round trip. The increase brings the tourist third cabin rate up to \$170.

### POPPY APPEAL IS SURE TO SUCCEED

Committee in Charge Has Good Organization for Canvass of City Saturday.

Tomorrow is poppy day. Tomorrow every citizen of London will wear one of the little red flowers made famous by "In Flanders Fields." The cause is most worthy, the entire proceeds being devoted to relief work carried on by the G. W. V. A. and the T. V. A. among veterans of the great war and their families. London has always responded generously to appeals of this nature and it is certain that she will do so again. The success of the day depends upon the response of every individual citizen.

**ADDMITS PROPERTY OWNERS  
MET ON NIGHT OF SHOOTING**

Associated Press Despatch.  
Detroit, Nov. 12.—Admission of a meeting of property-owners the night after the fatal shooting of Leon E. Breiner was drawn in cross-examination from a state witness in the case of Ossian H. Sweet, negro, charged with the murder of Breiner, being tried for murder in connection with the slaying. Mrs. Florence Ware, living near the house occupied by the negroes, and from which the state charges were fired, was the witness. It was the first time that Clarence Darrow, chief of defence counsel, had been able to get from a witness the admission of a meeting of the Waterworks Improvement association after the shooting. The defence claims the association was organized to prevent Sweet from living in the vicinity, which had previously been occupied exclusively by white persons.

**YOUNG MEN'S CLUB HOLDS  
SOCIAL EVENING AT "Y"**

A social evening was enjoyed by the members of the Young Men's club of the local Y. M. C. A. last evening in the association buildings. Roy Johnston, a magician of some repute, assisted by Leslie Gray, offered many interesting stunts, which were greatly enjoyed by the 25 members who were present. Several novel games were also included. Arrangements were made for the debate to be held at the next meeting of the club on Thursday, Nov. 13. The subject chosen is that "Practical experience is more beneficial than an academic education."

The affirmative will be upheld by W. Keenleyside and Ray Canfield, while Charlie White and George Riddle will represent the negative. E. J. Jenkins will act as chairman of the judges. The other judges will be selected from the members of the club.

125-127 Dundas St. Phone 3461.

### COAL ANALYSIS CAN BE MADE HERE

Board of Education Will Now Likely Make Use of Facilities at Western.

Trustee Mrs. John A. Rose is anxious that coal analyses required by the board of education be made at the University of Western Ontario rather than at either the Toronto or Detroit universities, as has been the case up to the present. Accordingly Mrs. Rose laid before the board at its regular meeting yesterday afternoon information she had secured from Dr. K. P. R. Neville, acting dean of the University of Western Ontario, to the effect that the chemical and geological departments at the local university are now adequately equipped to perform the coal analysis upon reasonable notification and as cheaply if not more cheaply than the board has had the analyses made in the past.

Chairman S. F. Lawason replied in explanation of the board's action in having the analyses made at out-of-town universities that two years ago when asked to make the analysis for the board, Western university authorities had intimated that they had not the necessary equipment to complete such an analysis. "We were not aware that the university here had installed the necessary equipment," said Mr. Lawason, "but now that you have given us that information, Mrs. Rose, there is no reason, as far as I can see, that our coal analysis should not be made at Western university."

It was unanimously agreed that the information tabled by Mrs. Rose should be passed on to next year's board for its "consideration" at the time when the analysis has to be made.

**OPPOSITION OBJECTS  
TO PARLIAMENT CALL**

Conservatives Criticize Premier For Summoning House Before Christmas.

By E. C. BUCHANAN.  
Special to The Advertiser by Staff Correspondent.  
Ottawa, Nov. 12.—Objection is now being raised by Conservatives to the calling of parliament before Christmas. A few days ago the complaint of the Conservatives was that Premier King was attempting to cling to office without authority. When the prime minister announced that parliament would be summoned for Dec. 10 if statutory requirements could be met by that time the suggestion was thrown out that it was "stage play." Now, when they are convinced that Mr. King means to have parliament meet and decide the fate of the government as soon as possible the objection is raised that it is unfair to bring members here before Christmas.

The Meighen opposition would prefer that the calling of parliament should be deferred till after the first of the year.

**T. S. MELADY, B.A., ASSUMES  
DUTIES AS INSPECTOR**  
Thomas S. Melady, B.A., successor to J. F. Sullivan, inspector of separate schools, has taken over his new duties and began his inspection of the London separate schools Wednesday. Mr. Melady is a resident of Stratford, but will likely become a resident of this city in the near future. J. F. Sullivan, the former inspector, was officially transferred to the Hamilton district over a year ago. He has carried on his local work since that time, however.

### Theatres Asked To Help Keep Children At School

Friendly Co-operation Sought by Board of Education in Ban on Theatre Attendance During School Hours.

Local theatres will be asked by the board of education for "their friendly co-operation" in eliminating as far as possible the attendance of children at afternoon performances during school hours. Pointing out that he had recently had one case in juvenile court of a child attending the theatre during school hours, T. J. Holmes, attendance officer, complained that he had had several similar complaints and advised that a letter be sent by the board to the theatres. Trustee Mrs. J. I. A. Hunt, when the subject was discussed at the regular meeting of the board yesterday afternoon, remarked that while there is no law against children attending the theatre during school hours the practice would practically cease if the law were enforced that no child under 16 years can attend the theatre unaccompanied by parent or guardian.

Asked for his opinion, Administrator G. A. Wheable, B.A., stated that if a parent took a child to the theatre during school hours then that parent could be called upon for an explanation in the juvenile court. Mr. Wheable added that while he would not like to see the theatres written "demanding" that children be refused admittance to afternoon performances, a letter "asking for their friendly co-operation" would very probably show some results.

It was finally agreed that letters in the vein of seeking co-operation be forwarded to all the theatres in the city.

**LEAVES HOSPITAL.**  
Father Plannery of St. Peter's seminary, who has been confined to St. Joseph's hospital for almost two weeks, was able to leave the hospital yesterday.

### USE OF SCHOOLS FOR POLLING NOW FREE

Recommendation Calling For Civic Check Startles Trustees Needlessly.

Peace reigns once more between the city council and the board of education, and thereby hangs a tale. Trustee F. H. Greenlees became instantly alarmed at the regular meeting of the board of education yesterday when the recommendation was read in the executive committee's report to the effect that the schools be used for municipal elections this year, providing a check covering the rental charges be tendered by the city council at least ten days in advance of the election. "Does that mean," asked Mr. Greenlees, "that war has been declared again?" "On the contrary," replied Chair-

man S. F. Lawason, "peace has been declared. I may say that since this recommendation was made representatives of the board and of the city council have got together and smoked the pipe of peace," continued Mr. Lawason, "and it was agreed at that conference that the council will not bill us any more for any part of the costs of the municipal elections, while we, in turn, will allow the council free use of the schools for polling booth purposes at municipal elections."

Does your baby suffer the burning itch, the terrible pain of eczema and other skin troubles? Here is instant relief. Just a few drops of the potent liquid remedy, and all itching is gone—all itching! No more sleepless nights, no more itchy skin. The first \$1.00 bottle relieves you or your money back. Try D. D. D. soap, too.
