Korean Passes Fortified—A Spy Manila—Fleets Fail to Meet.

LONDON, Aug. 22.—The Shanghai correspondent of the Times telegraphs under yesterday's date: General Tlo, commander of the Feng Tien division, telegraphs that on Friday the Chinese attacked the Japanese at Ping Yang and drove them with a heavy loss to Chang Ho, a distance of 11 miles.

LONDON, Aug. 21.—A dispatch from Shanghai to the Times says: The survivors of the Chinese transport Kow Shing were in deplorable condition when they were rescued from the sinking of that vessel. The statements made by these persons show that the Kow Shing was without an escort and that the attack made upon her by the Japanese warship Naniwa was unprovoked and not in any respect connected with a naval engagement.

THE FATHERLAND. Opinions in regard to the Adoption of the Gorman U. S. Tariff Bill.

BERLIN, Aug. 21.—Manufacturers and exporters interested in American trade are somewhat elated over the passage of the German bill. In the textile industry the relief from the last months of suspension is especially apparent.

CHINA. A special dispatch to the Times from Shanghai says it is rumored that instead of a large Chinese army only a small force is to be sent to Yunnan by Japanese.

CHINA. The Tagelast says: "The revision of the McKinley act has come too late to help matters in the woolen trade industry which is connected most closely with the American trade."
