

Discovery of Native Copper

Rich Strike Made in the No. 1 Level of the Velvet Mine.

Another Big Ore Outcrop Encountered in the No. 2.

An authenticated strike of ore at the Velvet mine and an alleged discovery in the Josie mine...

The ore shoot has not been thoroughly prospected, but the results make Manager Gray an optimist with respect to the future.

The report as to the strike in the Le Roi No. 2 is unconfirmed, but interesting.

Work was begun last week on what is eventually to prove to be an important feature in economical mining at the Granby mines in this camp.

Formally all the surface ore from the Granby properties was taken out through the main tunnel of the mine.
