Toronto, Oct. 23.—The run at the city cattle market to-day was for the best 1,800 head of cattle, 2,446 sheep and lambs, 900 hogs and 150 calves.

With a very heavy run of over a hundred cars to-day at the Junction yards yesterday, trade was slow for a large proportion of the light rough cattle that offered to plentifully this week. For good quality cattle the market holds steady to fair. It was said in fact that the choicest butcher cattle were higher to-day than the same quality of cattle last week. For the commoner stuff, however, there was a decidedly drabgy tone to the market. The bulk of the trading to-day was for the best feeders, for which there is still a very active demand. A large proportion of the feeding cattle offering, however, in very poor condition, do not fetch the prices quoted as the top prices for cattle of fair to good quality. The market for choice butcher cattle is steady at \$4 to \$4.25 and for anything extra choice as high as \$4.40 to \$4.50. Choice export cattle are quoted at \$4.75, the top, but there were no \$4.75 cattle in the market to-day, though as high as \$5 was paid for a small lot of choice exporters yesterday.

Lambs are slow and lower. Hogs are 35c lower than a week ago.

The export trade is still quiet, with very few choice exporters offering. Lambs are easier. Sheep steady. Hogs were unchanged at \$6.40 to \$6.65.

Feeders—Good demand; steers, 1,100 to 1,250 pounds, at \$2.65 to \$3.75; bulls, 1,000 to 1,200 pounds, at \$2 to \$4.25.

Short-keep, \$4.15 to \$4.25.

Export—Market steady, but very little doing; medium export, \$4.25 to \$4.40; choice, \$4.40 to \$4.60; extra choice, \$4.75.

Butchers—Market firmer for choice butcher cattle; choice picked butchers' cattle, \$4.40 to \$4.50; medium heavy butchers at \$3.65 to \$4.20; mixed lots and cows at \$1.75 to \$3.50; fat cows, \$3.30 to \$3.50; common, mixed, \$2 to \$2.25.

Light stockers—Market steady to firm; fair demand for good quality stock at \$3.25 to \$3.50.

Sheep and lambs—The market is slow and a little easier for lambs at \$5 to \$5.65; sheep slow at \$4 to \$4.50.

Calves—Market steady to firmer; prices range from \$3.50 to \$8 each.

Hogs—Market lower at \$6.25 for the best and \$6 for lights and fats.

Milk cows—Market steady to firm, with a good demand for heavy milkers at \$45 to

\$55 common, \$25 to \$30.

English Hay Market.

Advices from England are very firm both by letter and cable, says The Trade Bullstir the outlook is for a steady market at the recent advance in prices. The hay crop of France is short and very little fancy French hay will find its way to the English market between now and the next crop. Exporters have had some good remunerative returns from Liverpool, London and Glasgow of late. Freights have ruled in shippers' favor, and may continue to do so to the close of navigation.

LACK OF ENERGY.

A Common Trouble Among Growing Boys—A New Blood Supply is Needed—Dr. Williams' Pink Pills Actually Make New Blood.

There are thousands of young men just approaching manhood who have no energy, who tire out at the least exertion, and who feel by the time they have done their day's work as though the day was a week long. In some of these cases there is a further sign of warning in the pimples and disgusting eruptions which break out on the face. These are certain signs that the blood is out of order, and unless it is promptly enriched, a complete breakdown, or perhaps consumption may be the result. All these young men should take Dr. Williams' Pink Pills. These pills actually make rich, red blood, clear the skin of pimples and eruptions, and bring back strength and energy. Here is a bit of proof. Adolphe Roland, St. Jerome, Que., is a young man of 19 years, who says: "For more than a year I suffered from general weakness, and I gradually grew so weak that I was forced to abandon my work as a clerk. My appetite failed me, I had occasional violent headaches, and I began to suffer from indigestion. I was failing so rapidly that I began to fear that consumption was fastening itself upon me. Our family doctor treated me, but I did not gain under his care. I was in a very discouraged state when a friend from Montreal came to see me. He strongly advised me to try Dr. Williams' Pink Pills. I did so and inside of three weeks I began to feel better, my appetite began to improve and I secured to have a feeling of new courage. I continued the pills until I had taken ten boxes and I am now enjoying the best of health I ever had. My cure surprised many of my friends who began to regard me as incurable, and I strongly advise my example and give Dr. Williams' Pink Pills a fair trial."

There is no mystery about the cures Dr. Williams' Pink Pills make. These pills actually make rich, red blood which braces and strengthens every organ and every nerve in the body. That is why these pills cure all common ailments like anaemia, rheumatism, indigestion, neuralgia, St. Vitus dance, headaches and backaches, and the special ailments of women and growing girls. You can get these pills from any dealer in medicine or from The Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for \$2.50.

FALL ASSIZES.

Sunday Car Case Did Not Come Up For Trial.

The fall assizes for the county of Lambton concluded on Wednesday at the courthouse, Sir John Alexander Boyd, the Chancellor, presiding. There was a long list of cases on the docket, but a good number of them had been settled before the court opened, some of them a considerable time before. Only four civil cases were tried. The Chancellor took occasion in his charge to the grand jury, to compliment the county of Lambton on its comparative freedom from crime and to point out to the magistrates that commitments for trial on minor charges, should not be made to the high court but to the general sessions of the peace, where they could be disposed of by the county judge at much less expense than in high court.

The civil cases actually tried were as follows:—

MacIntosh vs. Leckie, Duncan and Rainsberry.—In December, 1903, the defendant Leckie was induced by the plaintiff to sign an oil lease of his farm, which seemed to require the lessee should

drill in six months or the lease would be null and void, unless fifty dollars was paid for each year's delay. One payment of fifty dollars was made and then after a delay of a couple of months in the next year without payment, Leckie released to his co-defendants, Duncan and Rainsberry, in the belief that the first lease was forfeited. They went on and drilled for oil, when the plaintiff brought the present action for specific performance of the first lease. J. Cowan, K. C., counsel for the plaintiff; A. Weir and W. J. Hanna, counsel for the defendants. Solicitors for the plaintiff, Cowan & Towers; for the defendants, Hanna, Le Sueur & Price and I. Greenizen. Judgment was reserved.

Wilson vs. Brenner.—The trouble aired in this suit arose at Grand Bend. In 1894 the plaintiff went to live with the defendant, who was an hotelkeeper, under a verbal agreement that the latter was to keep him for the rest of his days, and on the plaintiff's death was to have his property. The arrangement continued until May, 1905, when the defendant leased his hotel. The plaintiff had in 1895 made a will in the defendant's favor. In 1898 the plaintiff had given the defendant \$500 as a loan he said, but the defendant contended that it was in pursuance of the agreement. Then the defendant put in a claim for board, clothes and other things supplied during the eleven years. The plaintiff claimed against this for his work gardening, attending bar and other services; and admitted that he had received \$140 to go to the old country, \$100 paid to one of his sons, and \$200 paid last fall. But he also claimed for things which the defendant had refused to give up. Judgment was in favor of the plaintiff for \$240.00, the balance of the \$500.00 not repaid and for the return of the tools, etc. The chancellor thought that the services and the board, etc., would about balance. Solicitors for the plaintiff, Moncrieff & Wilson, Petrolia; for the defendant, A. A. McTavish, Parkhill; counsel for the plaintiff Mr. Weir; counsel for the defendant, Mr. Dickinson, of Exeter.

Canadian Oil Fields Limited vs. Oil Springs.—This was the fourth and last civil action tried. The suit was brought to restrain the village and tax collector from levying taxes on oil lands at Oil Springs. The lands had been assessed at the value of other farm lands and then \$75.00 per well was added for thirty oil wells. This the plaintiffs claimed was illegal. It was also claimed that by a clerical error the assessment had been increased \$2,000, and that the defendants were illegally seeking to get taxes on this sum. The action was tried before the late Justice Street last spring, but he died without giving judgment. Mr. Weir was counsel for the plaintiffs; I. Greenizen, Petrolia, solicitor for the plaintiffs; Cowan & Towers, solicitors for the defendants. Judgment was reserved.

The curiosity of the public was shown by numerous enquiries about the suit between the township of Sarnia and the street railway company to restrain Sunday cars; and many people expressed a desire to hear it, but it was not on the docket. The solicitors for the township had discontinued the action without entering it for trial.
