The home of Mr. and Mrs. H. Sutcliffe was the scene of an interesting event on Wednesday, December 28th, at 1 o'clock, when her only sister, Mabel, was united in the holy bonds of matrimony to Mr. Absolom Saunders, a popular young farmer of Lacombe, Alta. The ceremony was performed by Rev. McIntyre in the presence of immediate relatives. After the ceremony and congratulations the company sat down to a table where dainty refreshments were served. The bride and groom were recipients of many beautiful and costly presents, which express the esteem in which they are held. The young couple left on the afternoon train amid showers of rice and good wishes for their home in Lacombe. The home of Mr. and Mrs. H. Sutcliffe

AN OPEN LETTER

From a Baptist Clergyman Telling of Cures Wrought by Dr. Williams' Pink

The Dr. Williams' Medicine Co.,

The Dr. Williams' Medicine Co.,

Brockville, Out.:

Gentleman,—It has been my intention to write to you for some time, but being busy I have neglected to do so until now.

I am a Baptist minister. Was ordained June 14th, 1887, in Cramahe Baptist Church, Northumber Co., Ont. I want to tell you in as few words as possible what I know about Dr. Williams' Pink Pills. I was pastor of the Dalesville, Que., Baptist Church in 1891 and again in 1894-5. While pastor in 1891, the Rev. John King, a former pastor, aged 74, was striken with paralysis so that he cond not help himself. He had to, or did, take a tablespoonful of rhubarb every day to keep his bowels regular. I thought of Dr. Williams' Pink Pills. He began taking them and it was not long before he could walk again and his bowels were regular. The paralysis never returned and his bowels remained active. He died a few years ago practically from old age.

I went from Dalesville. Que., to Gro-

tically from old age.

I went from Dalesville, Que., to Groton, Vermont, as pastor of the Baptist Church in that place. There lived a man about two and one-half miles from Groton by the name of Neil McCrae, a Canadian. I heard he was ill, and being a Canadian, I went to see him. I tound him lying in bed. He said he had no pain, but was too weak to sit up. His lips were bloodless, in fact he was as white as chall. I recommended Dr. His lips were bloodless, in fact he was as white as chalk. I recommended Dr. Williams' Pink Pills and gave him some. He began taking them and in a short time could see blood in the viens of his hands and in the course of a few weeks he was out watching men building a new barn for him, and shortly after that he came to Groton to church. Now, I ought to tell you that the doctor of Groton had given him up. The Ryegate

ought to tell you that the doctor of Groton had given him up. The Ryegate doctor (a doctor in an adjoining village) could not help him and said so. The best doctor in the hospital of Burlington, Vt., came and saw Mr. McCrea, but said he could not help him. He did not get any help till Dr. Williams' Pink Pills put him on his feet again. Later I returned to Dalesville, Que., as pastor A young woman who lived about six miles west of Dalesville at a place called Edina, sent for me to come to see her, as she had been a Dalesville at a place called Edina, sent for me to come to see her, as she had been a member of my congregation in my former pastorate. I went to see her and found a similar case to that of Mr. McCrae, of Groton, Vt. This girl was so weak she could not sit up. She appeared to be bloodless. I said to her: "It will cost you \$6.00 to get a doctor to come out from Lachute to see you, whereas yon can get six boxes of Dr. Williams' Pink Pills for 2.50.", She followed my advice, took Dr. Williams' Pink Pills and when some time later I saw her in Lachute, she was as well as ever, and Dr. Williams' Pink Pills did it all.

I have given you the facts of these I have given you the facts of these three cases which came to my personal notice and I think only just to other sufferers these cures should be given the widest publicity. If you wish me to go before a magistrate and take oath to the truthfulness of the things mentioned above, I am prepared to do so. I am at present engaged in evangelistic work, and have therefore not at the present time a permanent address. I can, how-ever, refer you to the editor of the Can-adian Baptist. T. C. Sowter.
