Merchants, Bankers, Manufacturers, and others

DEAR SIR: In addition to our Mercantile Agency Reports we are now  
publishing a weekly commercial and financial newspaper in our name of

### "BRADSTREET'S."

This paper is of value and interest to observing business men, particularly  
merchants, bankers, and manufacturers. It does not deal with credits or  
furnish ratings, but reports, reviews and discusses those matters, domestic  
and foreign, that have any bearing upon the business of this country.  
Reporting the crops in detail, investigating numerous industries, criticizing  
various investment securities, and reviewing the markets, are special  
features, while the tariff, monetary, transportation, legal, banruptcy,  
partnership and hundreds of other topics are ably treated, not in the interest  
of political parties or geographical sections, but in the best interest of the  
business man of the whole country.

It is emphatically the business man's newspaper.

We solicit your subscription for one year at five dollars.

Very truly yours,

THE BRADSTREET COMPANY.
