Kelley, was a gentleman who had had years of experience in such work and was fully competent to judge of the merit of the various articles.

THE CONSUMERS' GAS COMPANY OF TORONTO. Toronto, Ont., 20th March, 1889.

Messrs. BRYCE BROS., Toronto. DEAR SIR,—Replying to your favor of the 10th inst., I have pleasure in stating that the "Bryce's Patent Asphalt Pavement" laid by you in this Company's purifying house at the works and in the yard and cellar of the Company's Office, Toronto Street, in December last, has given entire satisfaction. That laid in the yard has been exposed to the rain, snow and frost during the winter, and has not cracked at all, and seems to be quite as good as when laid down. The pavement is also laid above the cellar and has proved perfectly water-tight, not allowing any moisture whatever to penetrate through into the cellar, although wet snow has been allowed to remain on it for a considerable time. Yours truly, W. H. PEARSON, General Manager and Secretary. Toronto, March 20th, 1889.

Messrs. BRYCE BROS., Toronto. DEAR SIR,—Replying to yours of yesterday, in reference to the stable floor which you laid for me some time ago with your pavement, I have pleasure in saying that when I last saw it, which was after it had been in use about four months, it appeared to be standing very well indeed, even the sharp winter calks having made very little impression on it. Yours truly, D. B. DICK, Architect.

The Reason Why Ayer's Pills are so popular is, that while always reliable as a cathartic medicine, they never leave any ill effects. This is because they are purely vegetable, and entirely free from calomel or any other dangerous drug. In all cases, therefore, whether the patient be old or young, they may be confidently administered. When the Southern and Western States, where derangements of the liver are so general, Ayer's Pills have proved an invaluable blessing. D. W. Balne, New Berne, N. C., writes: "I suffered a long time with stomach and liver troubles, attended with various ailments, but received no benefit until I commenced taking Ayer's Pills. These pills benefited me at once. I took them regularly for a few months, and my health was completely restored." Throughout New England, next to lung diseases, Stomach and Bowel Complaints are the most prevalent.

Dyspepsia and Constipation are almost universal. Mr. Gallacher, a practical chemist, of Hoxbury, Mass., who was long troubled with Dyspepsia, writes: "A friend induced me to try Ayer's Pills, and, after taking one box without much benefit, I was disposed to quit them; but he urged perseverance, and, before I had finished the second box, I began to experience relief. I continued taking them, as directed, until I had used eleven boxes. Suffice it to say that I am now a well man, and grateful to your chemistry, which outstrips mine." The head and stomach are always in sympathy; hence the cause of most of those distressing headaches, to which so many, especially women, are subject. Mrs. Harriet A. Marble, of Poughkeepsie, N. Y., writes that for years she was a martyr to headache, and never found anything to give her more than temporary relief, until she began taking Ayer's Pills, since which she has been in the enjoyment of perfect health.

Ayer's Pills, PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.
