Live Stock Markets.

The cable from London on November 5 says: The cattle market was irregular, but a stronger feeling prevailed and prices advanced $\frac{1}{2}$ to 1c per lb, notwithstanding the fact that the receipts of Canadian and United States stock were heavy and the general supplies fair. The market for sheep is weak and prices lower. Finest steers 10 to 10 $\frac{1}{2}$ c; good to choice 9 $\frac{1}{2}$ to 10c; poor to medium 8 $\frac{1}{2}$ to 9c; inferior and bulls 5 to 8c.

The Montreal Gazette of Nov. 6 says: The market on spot for export stock was quiet and easy and the only transaction we heard of in cattle to-day was a lot of 175 head of Manitoba stock which was bought at 3 $\frac{1}{2}$ c per lb off the cars. The receipts of live stock at the Canadian Pacific stock yards continue to run large, owing to the large arrivals of Territories and Manitoba cattle for export and local trade. H. Mullins had probably the finest lot of Manitoba stock, consisting of 225 head, which he sold to L. Belorme. During the past week Gordon & Ironside received four trains of Northwest cattle and shipped them: John Skelton, of Saskatoon, had nine loads for shipments. Mr. Green received three loads for export. Thos. Almack received eight loads of Manitoba stock which he shipped: John Wake had ten loads of Manitoba butchers' cattle, which were sold here to local butchers. John MacDonald had six loads of butchers' cattle. S. L. Head ten loads, which are all for sale on this market. About 1,000 head of Territories and Manitoba butchers' cattle left these yards this morning.

At the East End abattoir, Montreal, on Nov. 5, trade in cattle was dull and prices were low, only a few head selling at over 3c per lb., with good steers sold at 2 $\frac{1}{2}$ c to 3c; common cows and rough steers sold at 2 $\frac{1}{4}$ to 2 $\frac{1}{2}$ c, and inferior beasts at 2c per lb. Shippers paid 3c per lb for good large sheep; good lambs sold in lots at 2 $\frac{1}{2}$ to 3 $\frac{1}{2}$ c per lb. Common lambs brought 3 to 3 $\frac{1}{2}$ c per lb. Fat hogs are rather plentiful, and sold at $\frac{1}{4}$ to $\frac{1}{2}$ c per lb.

THE ROSEBUD CLEARED ALL UP.

He had just finished the addition of fourteen columns of tantalizing figures, and was brain weary, when a friend and customer entered his private room. There was temper plain upon the intruder's face, for he was a man easily irritated, though generous to a fault. There was a misunderstanding, and he came not to clear it up, but to mix it up worse in a loud and useless wrangle. Ere he had finished his first burst of temper in loud words, his friend handed out the box containing "Reliance Rosebuds." The visitor grasped one bit the end off savagely, and wasted three matches ere he got it lighted. This act interrupted for a little his voluble irritation, but his first puffs were nervous and quick in succession. Before he was well seated and prepared for more loud talk, his friend had got in a few calm sentences, and as the misunderstanding was simple, the explanation was short and lucid. Few men have the blunt moral courage to acknowledge their mistake the moment after it is made, but as the smoke curled up from that cigar, the visitor saw clearly and acknowledged his, and a few minutes later left the room with expressions of perfect satisfaction, and avowals of continued friendship. This is but one of a hundred such instances. Cigars made from a coarse rank tobacco only increase the ill-temper of an irritated man, but the "Reliance Rosebud" contains the finest Havana tobacco, and smoking it never fails to soothe the nerves, and calm the temper. Try one when you are bothered and annoyed, and all doubt upon the matter will quickly vanish. This cigar is manufactured only by T&W, WOOD & Co., RELIANCE CIGAR FACTORY, MONTREAL.
