

ANOTHER OFFER

We have an offer to make to the reading public which we think will take with every one. We offer to send to any person, remitting \$1.50 a copy of the CANADIAN FARMER, a copy of an excellent literary monthly journal, "Our Home and Science Gossip," a 16 page paper, and one beautifully finished cabinet portrait of each of the following: Queen Victoria, the late President Garfield, Mr. Garfield, and President Arthur. The portrait of Queen Victoria is from a photograph taken since the death of President Garfield, and is therefore an exact representation of our beloved Queen as she is now. The portraits are from the celebrated publishing house of Ralph Troutman, and the pictures alone could not be purchased at retail for the price for which we offer papers and pictures combined.

H. E. SPENCER, Centre Village, N. Y. Just sold pure bred Poultry, Pigeons, Rabbits, Ferrets, &c. Rabbits \$2 a pair, Ferrets \$1 a piece, White Mice \$1 a pair, Guinea or Hens, all ready for use, \$1.25 a pair, some fine pit games, cheap. See us for circular.

Ayer's Hair Vigor,

FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR.

It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable.

The Vigor clears the scalp, cures and prevents the formation of dandruff, and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible.

As a Dressing for Ladies' Hair The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence.

PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass.
