[CIRCULAR.]

The MILITARY GAZETTE has
 now been in existence more than 14
 Months; it is at this moment the only Mi-
 litary paper published in British North
 America. It is more especially the
 ORGAN of the VOLUNTEER Forces of
 Canada, for which purpose, and for the
 advocacy of their interests, those of the
 SEDENTARY MILITIA, and, collectively,
 those of the COUNTRY, the Paper was
 started. The Editor and Proprietor
 of the MILITARY GAZETTE desires to
 continue the work, to improve the tone,
 scope, and appearance of the Paper, he
 desires to urge on the country, and on
 its representatives and Ministers, the
 necessity of further and more effectual
 organization of that Constitutional
 Force the MILITIA.

Such being his object, he hopes for
 the hearty co-operation of the OFFICERS
 of both divisions of the Military, Active
 and Sedentary. He has had no reason
 to complain hitherto. As much support
 has been accorded as he has probably
 merited, and he gratefully acknowledges
 the many encouraging communications
 which he has received from estimable
 and active members of the Force gene-
 rally. He has relied, and does still
 rely, mainly on the public spirit of the
 OFFICERS COMMANDING Troops, Bat-
 teries, and Companies, and it is with
 the object of suggesting to them indivi-
 dually, a means of promoting the per-
 manent establishment of the MILITARY
 GAZETTE as a public organ of Canada,
 that he invites the concurrence of the
 Captains, the Officers, Non-Commission-
 ed Officers and Men of the Batteries
 Troops and Companies in a proposition
 which has been already acceded to by
 several Commanding Officers, and Men
 of various localities, viz:

The proprietor of the Military Ga-
 zette undertakes to send 10 copies of the
 Paper to each Troop, Battery or Com-
 pany, for the use of the Non-Commis-
 sioned Officers and Men only;—to such
 addresses as shall be designated by their
 Commanding Officers, on payment in
 advance of \$15, the necessary deduction
 from each man of about 1s 3d to be
 arranged by the Commanding Officers.
 They will be pleased therefore, to read
 this Circular at their first convenient
 opportunity, to their men and if gene-
 rally supported, as there is every reason
 to expect, there is no doubt the paper
 may be made interesting, useful, and in-
 structive to all concerned.

100th;

Prince of Wales' Royal Canadian
 Regiment.

CAPTAIN CLARKE'S Company being
 now complete, Recruiting has been
 commenced for CAPT. FLETCHER'S COM-
 PANY. Young men of intelligence are
 particularly requested to consider the many
 advantages accruing from their enlisting in
 a corps about being organized, in preference
 to one already formed; in the former the
 advantages are great, all the departments
 must be filled, and, of course, the educated
 will necessarily have the preference. The
 subordinate situations in a Regiment are
 equal, in means, comfort, and respectability,
 to many positions in commercial life, with
 the positive prospect of ensuring a compe-
 tency in old age, and the probability of
 rising to the highest grade and distinction.
 An opportunity such as this has rarely
 offered for energetic and ambitious young
 men to enter upon a career of prospective
 honor and advantage.

Inquiry about a Father

A SLAVE named HARRIS, who
 was owned by Robert Meuld, of Missouri, ran away
 some twenty years since, after his wife was sold far away,
 and is supposed to be in Canada. His wife's name was Lucy
 and was owned by one Corwell. Their children were Patsy,
 Jane, Patsy, Eliza and Samuel. One of Harris' children
 (he son) now about 26 years of age, a very strong and stout
 man, with an honest face and pleasant manners, is very de-
 sirous of knowing where his father is—having heard that he is
 alive and in Canada, called HARRIS, or some other name.
 Should this notice meet the Father's eye, he is earnestly re-
 quested to communicate his Post Office address to the under-
 signed.
