

— *American Historical Record*.—The December number of this valuable monthly is the last we shall have the pleasure of welcoming under the title which has made it so familiar to its many patrons and friends. In January it will appear as *Potter's American Monthly*, and will, it is said, be enlarged and improved. No doubt, to the general reader, many of the proposed additions will be considered improvements, but to the Historical Student, we question whether it will appear in the same light. We learn from the prospectus that Dr. Lossing also retires from the Editorial chair, but will continue to contribute to its pages. We congratulate the worthy editor on the high position which the Journal has attained under his able management, and for the interests of the many readers of the *Record*, we consider it a matter of no little importance that he still continues his valuable contributions.

— *American Journal of Philately*.—The December number of this Journal completes its 8th volume. To the Stamp Collector, this work must prove invaluable, and while in the past its pages have furnished much that is interesting and instructive, the publishers promise still more in the future. The pages of the Journal will continue the same size as before, but they will be added to from time to time so as to accommodate all the writings of American Philatelists, and reprints or translations of every article relating to stamps published anywhere in the world, that is readable, or contains any useful information. By this means its subscribers will get delivered free of postage, for One Dollar per year, a large number of valuable original articles, and all the contents that is worth reading of *L'Ami des Timbres*, *Le Timbre Post*, *The Philatelist*, *The Stamp Collector's Magazine*, *Illustriertes Briefmarken Journal*, &c. The subscription price is One Dollar per year, and a scarce stamp is given away with each number. Address J. W. Scott & Co., 75 and 77 Nassau Street, New York.
