BLACK TROOPS .- The bill authorising the President to raise an army of black troops has been carried to raise an army House of Congress by a large maincough the state of the state ibe black regiment is to begin immediately at Washington, where the African race is just now in large numbers, and without occupation. The bill now passed is nothing less than a call for help to the blacks from the whites of the North, who, speaking of then generally, have hardly had less contempt, if indeed they have not had more contempt for the blacks than the Southerners. - Montreal Herald.

The administration is engaged through eminent council in preparing to bring before the Supreme Court of the United States the important question of the power of the President in times of rebellion to suspend the writ of Habeas Corpus. The administration is determined to settle the question at once, as there are many cases now pending in several State Courts, and additional ones are springing up almost daily.

Ladies Wiggles.—Some wag says—speaking of ladies in their present fashionable rig—that 'you gaze on this curious concern as it wiggles along the streets, and are reminded of soldiers' tents with streamers from the top.' 'Wiggles' is good as describing the present popular gait, though we should not have thought of applying it.—American Paper.

Richmond, Jan. 31 .- The Secretary of State has notified the British and French Consuls of this city that he has received official information of the opening of the blockade off Charleston. We also learn, says the editor of the Dispatch, that a steamer was despatched from Charleston, after the raising of the blockade, to Nassau, to convey to the British nuthorities there the announcement of the fact. It is understood that, official notice being given of the opening of the blockade, it cannot be renewed by the enemy until 60 days previous notice has been given to the nentral maritime governments.

A Chicago correspondent of the New York Times says that the citizens of Illinois and other States on the Upper Mississippi are doing precisely what England is blamed for, - supplying the Confederates with powder and other munitions of war. This information is derived from a Federal General. The Times correspondent, also says : When the full extent and nature of the contraband trade on the Mississippi becomes known, we shall abate some of our indignation against foreign blockade-runners.'

SCROFULA AND SCROFULOUS DISEASES. From Emery Edes, a well-known merchant of Oxford, Maine.

"I have sold large quantities of your Sarsafar-PLLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community."

"I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

from Mrs. Jane E. Rice, a well-known and much-cateemed lady of Denniscille, Cape May Co., N. J.

SAPARILLA, which soon completely cured her."

From Charles P. Gage, Esq., of the widely-known from of Gage, Murray & Co., manufacturers of enamelled papers in Nashua, N. II.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of, I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."

Dr. Ayer: I ecidom fail to remove Eruptions and Scrofulous Sores by the persevering use of your Sarsarahlla, and I have just now cured an attack of Malignant Erysipelas with it. No alterative we possess equals the Sarsarahlla you have supplied to the profession as well as to the people."

From J. E. Johnston, E.g., Wakeman, Olio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarsarahlla. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and scund as anyhody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

Scald Head, Sore Eyes.

From Harvey Sickler, Eeg., the able editor of the Tunckhannock Democrat, Pennsylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. Askifful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his handsleat with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Saisapanitla, and applying the iodide of potash lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyelashes, which had come out, grew again, and he is now as healthy and fair as any other. The whole neighborhood predicted that the child must die."

Reading, Pa., 6th May, 1861. J. C. AYER, M. D. Dear Sir : I have a long time been afflicted with an eruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city withou; any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your Sarsa-I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cared me, and I am now as free from the complaint as any man in the world. Publish this, and let the afflicted know what you have done for me, and what may be done for their relief.

Yours, with great respect and gratitude, JACOB H. HAIS. The above certificate is known by us to be true, and any statement from Mr. Huin en

HARVEY BIRCH & BRO., Druggists, Reading, Pa B. W. Barn, Esq., the eminent author of this city, states, 6th Jan., 1860: "My wife has been of late years afflicted with a numer which comes out upon her skin in in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your Sarsaparilli. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the humor is now entirely gone, so that she is completely cured. This remarkable result was

undoubtedly produced by your Sansaranilla. Charles P. Gage, Esq., of the widely-known Gage, Murray & Co, manufacturers of enamelled papers in Nashua, N. H., writes to Dr.
