THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter written by the Rev. C. Z. Weizer, to the German Reformed Messenger, at Chambersburg, Penn. :-

A BENEFACTRESS. Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A Blessing on Mrs. Winslow, for helping her to survive and escape the griping, colicking, and teething sieges. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it - nothing less. Away with your 'Cordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is drugged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow - know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists. Be sure and call for "MRS. WINSLOW'S SOOTHING SYRUP."

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are of a truly marvellous character. Incurable cases of Scrofula, where the system seemed utterly given up to corruption, have yielded to this compound of anti-strumous virtues. Disorders of a scrofulous type, and affections which are merely scrofulous in their nature, have been radically cured in such numerous instances, in every settlement in the country, that the public do not need to be informed here that it is in most cases a specific and absolute remedy. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfeeling tenant of the organism undermines the constitution, and invites the attack of embolism or fatal diseases, without exciting a suspicion of its presence. Again, it leads to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vital. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver. These facts make the occasional use of the Sarsaparilla as a preventive, advisable. It is a mistake to suppose that so long as no eruptions or humors appear, there must be no scrofulous taint. These forms of derangement may never occur, and yet the vital forces of the body be so reduced by its subtle agency, as to render it liable to the attacks of the disease during the life. It is a common error, also, that scrofula is strictly hereditary. It does, indeed, descend from parent to child, but is also engendered in persons born of pure blood. Low living, indigestion, foul air, licentious habits, uncleanness, and the depressing vices generally, produce it. Weakly constitutions, where not fortified by the most constant and judicious care, are peculiarly liable to it. Yet the robust, also, whose hard labors swell the veins with an acridly exuberant vitality, are often contaminated, and on the road to its consequences. Indeed, no class or condition can depend on immunity from it, nor feel insensible to the importance of an effectual remedy. In St. Anthony's Fire, Rose or Erysipelas, for Tetter, Salt Rheum, Scald Head, Ringworm, Sore Ears and Eyes, and other eruptions or visible forms of the disease caused primarily by the scrofulous infection, the Sarsaparilla is so efficient as to be indispensable. And in the more concealed forms, as in Dyspepsia, Dropsy, Heart Disease, Gout, Epilepsy, Nervousness, and other affections of the system, and nervous systems, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces astonishing cures. The Sarsaparilla root of the tropics does not by itself achieve these results. It is aided by the extracts combined with it, of still greater power. So potent is this union of healing virtues, Sphilitis or Venereal and Mercurial Diseases are cured by it, and the low fever is relieved by substituting the obstinate maldies by any medicine. Leucorrhoea or Whites, Uterine Ulcerations, and Female Diseases in general, are commonly soon relieved and ultimately cured by the investigating and purifying effect of our Sarsaparilla. Rheumatism, Gout, and other dependent on the accumulations of extraneous matters in the blood, have their remedy also in this medicine. For Liver Complaints, torpidity, indigestion, absence of appetite, and other ailments, the Sarsaparilla is highly recommended. This medicine restores health and vigor where no specific disease can be distinguished. Its restorative power is soon felt by those who are afflicted with Lethargy, Despondent, Sleepless, and filled with Nervous Apprehensions or Fears, or who are troubled with any other of those affections symptomatic of weakness. Many of the ailments of General Debility, have within us of the youthful vigor imparted to their nervous system, which seemed buoyant with that prolific life they thought had departed on the advance of age. Others, whose fountains of life were always running dry, charge their obligations to it for an obvious change.

Ayer's Ague Cure, For Fever and Ague, Intermittent Fever, Chill Fever, Remittent Fever, Dumb Ague, Periodical or Bilious Fever, &c., and all the affections which arise from malarious, marsh, or miasmatic poisons. As its name implies, it does Cure, and does not kill. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it in no wise injures any patient. The number and importance of its cures in the ague districts, are literally beyond account, and we believe without a parallel in the history of medicine. Our pride is gratified by the acknowledgments we receive of the radical cures effected in obstinate cases, and where other remedies had wholly failed. Unacclimated persons, either resident in, or travelling through malarious districts, may be protected by taking the AGUE CURE daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity. Prepared by Dr. J. C. Ayer & Co., Practical and Analytical Chemists, Lowell, Mass., and sold all over the world. PRICE, \$1.00 PER BOTTLE. HENRY SIMPSON & CO., Montreal, General Agents for Lower Canada.

CHOLERA. A CERTAIN CURE FOR THIS DISEASE MAY BE FOUND IN THE USE OF DAVIS' PAIN KILLER. VEGETABLE PAIN KILLER. MANHATTAN, KANSAS, April 17, 1866. Gentlemen - I want to say a little more about the Pain Killer. I consider it a very valuable medicine, and always keep it on hand. I have traveled a good deal since I have been in Kansas, and never without taking it with me. In my practice I used it freely for the Asiatic Cholera in 1849, and with better success than any other medicine. I also used it here for cholera in 1855, with the same good results. Yours truly, A. HUNTING, M.D. I regret to say that the Cholera has prevailed here of late to a fearful extent. For the last three weeks, from ten to fifty or sixty fatal cases each day have been reported. I should add that the Pain Killer sent recently from the Mission House has been used with considerable success during this epidemic. If taken in season, it is generally effective in checking the disease. REV. CHARLES HARDING, Sholapore, India. This certifies that I have used Perry Davis' Vegetable Pain Killer, with great success, in cases of cholera infantum common bowel complaint, bronchitis, coughs, colds, &c., and w. I cheerfully recommend it as a valuable family medicine. REV. JAS. G. BOOMER. Messrs. Perry Davis & Son: - Dear Sirs - Having witnessed the beneficial effects of your Pain Killer in several cases of Dysentery and Cholera Morbus within a few weeks past, and deeming it a act of benevolence to the suffering, I would most cheerfully recommend its use to such as may be suffering from the aforementioned or similar diseases, as a safe and effectual remedy. REV. EDWARD K. FULLER. Those using the Pain Killer should strictly observe the following directions: - At the commencement of the disease take a teaspoonful of Pain Killer in sugar and water, and then bathe freely across the stomach and bowels, with the Pain Killer. Should the diarrhoea and cramps continue, repeat the dose every fifteen minutes. In this way the dreadful scourge may be checked, and the patient relieved in the course of a few hours. N.B. - Be sure and get the genuine article; and if recommended by those who have used the Pain Killer for the cholera, that in extreme cases the patient take two (or more) teaspoonfuls, instead of one. The Pain Killer is sold everywhere by all Druggists and Country Store-keepers. PRICE, 15 cts., 25 cts. and 50 cts. per bottle. Orders should be addressed to PERRY DAVIS & SON, Manufacturers and Proprietors, MONTREAL, Q. B.
