## The Canadian Appraisal Company, Limited

During the past fourteen years we have appraised some four thousand properties, scattered all over the Dominion of Canada.

These include the leading and most representative plants of every manufacturing industry of the Dominion.

The valuations which we make comprise land, buildings, plant, machinery and equipment, tools, water-powers, etc.; in fact, all the permanent working plant of any manufacturing or other industry.

Our certificate, therefore, of values, in conjunction with the certificate of profits and liquid assets prepared by the accountant, furnishes a complete verification of a Company's assets
