**Mercantile Summary.**

VALUABLE and extensive coal beds have been  
discovered on the western coast of Newfound-  
land.

DURING May goods were imported into the  
Dominion to the value of \$10,288,833, against  
\$6,891,021 last year, showing an increase in  
one month of \$3,397,812. The exports for the  
same month were \$8,055,465, against \$7,667,072.  
These figures show a balance of over two and  
a quarter millions against the Dominion on the  
operations of the month.

IMPORTATIONS at St. John's, N. B., for the  
three months ended June 30th, were valued at  
\$2,882,516, against \$2,219,086 last year. Only  
\$33,827 worth of dry goods were imported  
which was about \$10,000 more than the pre-  
vious year. Among the exports, lumber fell  
off \$100,000, but the aggregate shows an in-  
crease, being \$1,087,335, against \$1,042,207  
last year.

THE Grand Trunk Railway announces that  
arrangements have been made by which the  
agents of the Pacific Mail Steamers have been  
empowered to grant through bills of lading to  
Toronto, and that merchants ordering teas can  
have their shipments made by the Union and  
Central, the Michigan Central, and the Grand
