OUR RAKE PYRAMID

1874	350	1874
1875	1,000	1875
1876	1,200	1876
1877	1,500	1877
1878	2,000	1878
1879	2,150	1879
1880	3,000	1880
1881	3,200	1881
1882	4,000	1882
1883	4,200	1883
<hr/>		
TOTAL	22,600	

22,600 Sharp's Horse Rakes made by the Massey Manufacturing Co. since 1874. See the increase each year and consider the cause.

Note.—For several years prior to the year 1875 we also manufactured another style of Horse Rake which we subsequently discarded, finding Sharp's rake so much superior.

The Massey Manufacturing Company offer you your choice of three styles of Binders.

- The Massey Manufacturing Company are the sole manufacturers of the
- Massey Harvester.
 - Toronto Reaper.
 - Toronto Mower.
 - Massey Mower.
 - Toronto Cord Binder, 6 ft. cut.
 - Toronto Cord Binder, 5 ft. cut.
 - The Massey Low Down Binder, 5 ft. cut.
 - The Sharp's Horse Rake.

The Massey Manufacturing Company offer the largest and choicest assortment of harvesting machinery of any manufacturers.
