Cataract, Catarrhal Deafness, Hay Fever.

A New Home Treatment. Sufferers are not generally aware that these diseases are caused by parasites in the lining membrane of the nose and Eustachian tubes. Microscopic examination, however, has proved this to be a fact, and the result is that a simple remedy has been discovered whereby catarrh, catarrhal deafness and hay fever are permanently cured in from one to three simple applications made at home by the patient once in two weeks. N.B. For catarrhal discharges peculiar to females (whites), this remedy is a specific. A pamphlet explaining this new treatment is sent on receipt of ten cents to A. H. DIXON & SONS, 303 West King St., Toronto, Canada. Scientific Preparation.

Sufferers from catarrhal troubles should carefully read the above.
