

- (g) Recognize TUEs granted by International Federations to *Athletes* in the International Federation's *Registered Testing Pool* or entered in an *International Event* as described under 7.1(b).

[As used in this Article 7, the term "publish" means: An Anti-Doping Organization shall publish information by providing the information in a conspicuous place on its website and by sending the information to each National Federation which is subject to its rules.]

8.0 TUE Application Process

- 8.1 Unless the rules of their International Federation provide otherwise, the following *Athletes* shall obtain a TUE from their International Federation:

- (a) *Athletes* in the International Federation's *Registered Testing Pool*.
- (b) *Athletes* participating in an *International Event* for which a TUE granted pursuant to the International Federation's rules, is required.

- 8.2 *Athletes* not identified in Article 8.1 shall obtain a TUE from their *National Anti-Doping Organization*.

[Comment to 8.1 and 8.2: Unless the rules of an International Federation provide otherwise, an Athlete who already has a TUE from a National Anti-Doping Organization, but later becomes a member of the International Federation's Registered Testing Pool or seeks to participate in an International Event which the International Federation has identified as requiring an International Federation TUE, shall obtain a new TUE from the International Federation.]

The phrase "unless the rules of an International Federation provide otherwise" takes into account the fact that some International Federations, through their rules, are willing to recognize TUEs granted by National Anti-Doping Organizations and do not require a new TUE application at the International Federation level. Where such rules are in place, the Athlete should obtain a TUE from the Athlete's National Anti-Doping Organization.]
