

ARTICLE 4

1. The nuclear material, special non-nuclear material, equipment and technology identified in Annex C shall be subject to this Agreement unless otherwise agreed by the Parties.
2. Items other than those covered by paragraph 1 of this Article shall be subject to this Agreement when the Parties have so agreed in writing.
3. Prior to any transfer between the Parties, whether directly or through a third party, of nuclear material, special non-nuclear material, equipment or technology subject to this Agreement, the Parties shall exchange written notifications.

ARTICLE 5

Each Party shall obtain the written consent of the other Party prior to the transfer beyond its jurisdiction of any nuclear material, special non-nuclear material, equipment or technology subject to this Agreement.

ARTICLE 6

Each Party shall obtain the written consent of the other Party prior to the enrichment of any nuclear material subject to this Agreement to 20 (twenty) percent or more in the isotope U 235 or to the reprocessing of any nuclear material subject to this Agreement. Such consent shall describe the conditions under which the resultant plutonium or uranium enriched to 20 (twenty) percent or more may be stored and used. The Parties may establish an agreement to facilitate the implementation of this provision.

ARTICLE 7

1. Nuclear material, special non-nuclear material, equipment and technology subject to this Agreement shall not be used to manufacture or otherwise acquire nuclear weapons or other nuclear explosive devices.
2. With respect to nuclear material, the obligations contained in paragraph 1 of this Article shall be verified pursuant to the safeguards agreement concluded by each Party with the IAEA, in connection with the NPT.
3. If for any reason or at any time the IAEA is not administering the safeguards discussed in paragraph 2 of this Article within the territory of a Party, the Parties shall promptly conclude:
 - 1) a safeguards agreement equivalent in scope and effect to the IAEA safeguards agreement being replaced; or
