

Extract from the *Minutes of the Proceedings of the Senate*, on Thursday, June 12, 1986:

“With leave of the Senate,

The Honourable Senator Marshall moved, seconded by the Honourable Senator Bonnell:

That the Order of Reference of the Standing Senate Committee on Agriculture, Fisheries and Forestry, dated February 6, 1985, pertaining to a study on the marketing of fish in Canada and all implications thereof, be deemed to have been referred to the Standing Senate Committee on Fisheries; ...

The question being put on the motion, it was —

Resolved in the affirmative.”

Charles A. Lussier

Clerk of the Senate
