and/or under the Fisheries Act for anyone to pollute any stream or river of the waters on which people depend for domestic or industrial purposes?

Mr. Pickersgill: Mr. Speaker, part 1 could be made an order for return. The answer to part 2 is that it is not the practice to state government policy in answer to questions on the order paper.

Mr. Diefenbaker: That will give great hope to the people.

Mr. Speaker: Order for return, subject to the remarks of the minister.
