Dr. F. C. Harrison,
Principal, Macdonald College,
Ste. Anne de Bellevue, Que.

Dear Dr. Harrison:-

On my return to the office yesterday morning I found awaiting me your letter of April 12th with reference to Professor Bunting.

I have not seen Professor Bunting's letter nor Mr. Ward's reply. From the indications you enumerate of the former's unwillingness to work in harmony with the Department I think possibly I had better have a chat with Bunting and if he refuses to cooperate there is only one thing to do and that is to look for another man. This putting of sand on the wheels instead of oil is not to be tolerated for a moment.

I shall be here all week if you care to come in and see me about it.

Yours faithfully,

Principal.
