

COMPLETE HISTORY OF THE CHINESE WAR, &c.

THIRD AND CHEAPER EDITION, with a new Introduction, in one Volume, with Maps and Plates, price 12s. bound.

THE NEMESIS IN CHINA;

COMPRISING

THE MOST COMPLETE HISTORY OF THE WAR IN THAT COUNTRY ;

With a Particular Account of the COLONY OF HONG-KONG.

From the Notes of Capt. W. H. HALL, R.N., and the Personal Observations of W. D. BERNARD, Esq., A.M., Oxon.

"This is the most important publication that has appeared respecting our late contest with China. In all that relates to the Nemesis especially, and to the naval operations of the Expedition, it is replete with the most lively and stirring interest."—*Naval and Military Gazette*.

"This book is, in effect, a complete history of the operations and results of the Chinese war. It is written with greater care than any similar work we have seen. The author has produced a book of evidently good authority, which clears off a quantity of misrepresentation, and gives an altogether calmer and steadier view of the origin, progress, and results of our warlike dealings with the false and flowery people."—*Examiner*.

"We recommend this work to all our readers who may wish to understand the progress of this Chinese war, and to possess the clearest and fullest narrative of the incidents which accompanied our victories. The writer also made a long excursion into the interior of the Chinese provinces, and describes the country well. His notices of the imperial court are also at once original and picturesque."—*Messenger*.

"This is an extremely interesting and valuable narrative. All details which might prove tedious are omitted. There are no lengthened disquisitions, no elaborate or minute pictures, but a constantly varying recital which, with all the satisfactoriness of truth, has the charm of fiction. If we except the old voyages of discovery, which carry the mind over an unknown and mysterious ocean, where new regions are every moment expected to develop their features before us, we scarcely remember to have read any maritime relation with so much pleasure as this. The Nemesis, it is well known, acted a distinguished part in the war in China, but the details are now for the first time accessible. They will be read with pleasure proportioned to their importance, and the simplicity and ability with which they are given. What we have said will, we trust suffice to recommend to our readers the Voyage of the Nemesis, which we regard as, in every respect one of the best works of the class to which it belongs."—*Sunday Times*.
