SENSATION LOOKED FOR AT WINDSOR

Charges of Treason Will Implicate Prominent Men of City.

SMUGGLED ENEMIES

Freighter Took Aliens and Landed Them in United States Port.

WINDSOR, Ont., July 19 .- Sensational charges of treason which will implicate and cause the arrest of several men prominent in the affairs of Windsor are looked for within the next few days, the result of investigations conducted jointly by the United States Canadian Immigration Depart ments. It was reported on good authority that the net which is being drawn the immigration departments of both countries will catch certain of-ficers of Windsor. Whether these men are civil or government officers can-

not be learned William Lonney, alias "Shump" Lonney, and Max Laker, arrested Saturday on charges of treason, "are but pared to the men who will be held it was positively asserted. These men are both charked with smuggling alien enemies of Canada into the United States, but their positions are said to have been on a small scale in com-parison to the work done by others and with the knowledge of certain men whose duty it was to apprehend the smugglers and those being smug-

Smuggled Alien Enemies. It is stated that a big freighter took on several alien enemies of Great Briain at Windsor and landed them at a port in the United States without having them go thru the necessary in spections by immigrant inspectors. The captain of the ship will, it is understood, be arrested at the first oppor

Police officials and immigrant in spectors in Windsor are reticent about their operations concerning investigations of charges of treason, but it has been learned on good authority that a surprise that will stir the border city and perhaps the entire Dominion from end to end may be looked for.

SHIPMENT OF HORSES ON WAY TO THE WAR

Two G.T.R. trains loaded with army horses passed thru Toronto yesterday en route from Chicago to Montreal. One of these trains had 50 cars, and the othe 19, so that in all there were about 1400 horses. At West Toronto the cars were unloaded to allow the chargers to be exercised and watered, and horsemen who saw them were surprised at the quality of the selection. The horses were bought by the British military authorities in Chicago, and were rounded up in all the Western States.

A.G.T.R. official stated that since the declaration of war more than 80,000

horses have been shipped thru Toronto on their way to the front. NEW NOTE TO BRITAIN.

PRESSURE IN TANK **MADE IT A DANGER**

at Frank Riding

Case Was Again Adjourned WYCHWOOD CHALLENGE Pending Further Investigation.

For the fifth time the inquest being onducted by Coroner Dr. J. G. Elliott at the morgue, enquiring into the death of team shooting contest, ten men each, Frank Riding, who was killed at the West for any other rifle company, at the the morgue, enquiring into the death of Frank Riding, who was killed at the West Toronto Grand Trunk freight shed on June 14, when a gas tank exploded, was adjourned. Practically all of last evening was taken up with the evidence of Professor Gillespie, and ten o'clock Coroner Elliott adjourned the hearing until Friday night.

Professor Gillespie took pieces of the tank which exploded to the School of Practical Science, examined them, and had them at the inquest last night for the jurymen to look over. The tank which exploded contained 330 lbs. pressure at 30 degrees of heat on the day of the accident.

"Would you believe 330 to be beyond"

for any other rifle company, at the Wychwood Rifle Ranges, on the R. J. Fleming estate, St. Clair avenue. Sgt. J. Eleming estate, St. Clair avenue. Sgt. J. B. Forsey, 5 Wychwood avenue, will be glad to consider propositions for such matches.

The following were the highest scores at the Wychwood's practice on Saturday: D. Hunter 62, Peter Black 60, William Evans 59, E. J. Carleton 57, C. Wilson 54, R. Lovett, 53, J. Beatty 52, J. Monkman 51, F. Collar 48; William Dover 47, W. Edwards 44, D. Baird 43, G. Taylor 42, C. P. Beeston 41. The winner of the halfmonthly handicap was Platoon Fgt. William Evans.

"Would you believe 330 to be beyond that tank limit?" asked Coroner Elliott.

Any Tank Dangerous,
Professor Gillespie replied that any tank like the one in question was dangerous, and that any tank like that would not be and that any tank like that would not be safe with 330 lbs. pressure at 70 degrees of heat. The professor said: "The weld of the tank was defective, and when a tank similar to the one that exploded was tank similar to the one that exploded was seen to be said to b
