

*To Manufacturers and others interested in Native Industries.*

I send you a few sample pages of a small work which I have written on the subject of the best means of developing the industries and resources of the country. The work will be published as soon as a sufficient number of subscribers shall have been obtained to justify it.

Price 25 cts. per copy. Advertisements \$10 per page ; \$6 per half, and \$4 per quarter page.

An early answer, stating the number of copies you will take, and giving your advertisement, will be important, that the matter may at once be brought before Parliament.

Please address JOHN LOVELL, Publisher, or the author, J. B. HURLBERT, at the Office of the Publisher.
