

An account has been submitted from Joseph Doust against the Clerk of the Peace for Magistrates' blank forms amounting to \$97.04. The prices charged for these forms are high but as payment would in the end have to be made by the County your committee recommend that the amount be paid.

Your committee recommend that an allowance of ten dollars be made to the Local Registrar of the High Court of Justice for stationery for his office during the present year.

Your committee approve of the action of the County Clerk in taking charge of the Magistrates' blank forms purchased by the Clerk of the Peace and would recommend that he be instructed to procure a list of the the qualified magistrates of the judicial county, in which list the Clerk of the Peace should be requested to note the names of those Magistrates who are known as acting Magistrates and who therefore are entitled to have forms supplied to them.

Your committee recommend that the County Clerk be instructed to procure, under the direction of the County Judge, a supply of forms for use under the provisions of the Ontario Voters' Lists Act to be supplied to the Clerks of local Municipalities.

All of which is respectfully submitted.
