## CONDITIONS OF TENDERS WOULD KILL COMPETITION

Looks Like Campaign Frame-up—Extensive Plans for St. John Harbor.

OTTAWA, July 28.—(Special).—It has been arranged that a frame-up has been arranged looking to the very large campaign take-off. Tenders have been invited for the construction of a breakwater, wharves, for the dredging of a channel and basin, and also for the construction of a drydock and ship repairing plant, of the first-class at St. John, N.B.

The call for tenders is one of such a peculiar character that it is impossible to secure legitimate competition, and there is reason to believe that the scheme has been framed in the interests of certain contracting and close political friends of Mr. Pugsley. The estimated amount of the contract for these large works at St. John is several millions. Competition is impossible by reason of the bulk of all the work into one tender, thereby putting out all rivals who specialized in contracting work on one thing, who may have the plant for dredging, but not for the building of a drydock. Tenders have to be made by August 10 next, and as further evidence of the desire of Mr. Pugsley to limit competition, the enormous deposit of \$500,000 is required from each tenderer.

Mr. Pugsley is likely to have an opportunity presented to him by the opposition in a day or two to explain this matter to parliament.

## FINE SHOW FOR SCARBORO.

"The biggest show yet" is what Manager George Moran says of the free vaudeville bill at Scarborough Beach next week. Not fewer than eleven people will appear on the stage, and every one of them is reputed to be a top-notch act. The Ishakawa troupe of Japanese jugglers and acrobats are said to be the best Japanese performers now in vaudeville. The Four Bands are billed as the world's greatest gymnasts and offer a sensational program of leaps and dives, and nothing of some phenomenal balancing.

Zeno, Jordan and Zeno, the casters, have made comedy out of a remarkable athletic feat, and the Regiment Band of Buffalo, which made such a furor when at the park earlier in the month, will return for a week's entertainment. On the whole it ought to be a first class show.

## Successful Treatment of Hay-Fever

The demand for Dr. Hayes' book describing the new and successful method of relieving and curing Asthma and Hay-Fever has been so great that a new edition of one hundred thousand has just been put to press and will be ready in a few days. Dr. Hayes is distributing the book to all sufferers, and if you want a copy send a two-cent stamp with name and address at once to P. Harold Hayes, M.D., Buffalo, N.Y., asking for Bulletin T-16. Reports from cases treated the past year show that the disease does not return.

Use Gibbons' Toothache Gum. Price 10 Cents.
