

FLAMMA BY A LENGTH
WINS 2-YR.-OLD HANDICAP

Defeats Isidore, Favorite, in Feature Race at Jamestown—
Fields Large.

JAMESTOWN, Nov. 25.—The feature event of the day, the two-year-old handicap, was won by a length, Flamma defeating Isidore, the first choice, by a length. Isidore forced all the early running, but stopped after turning in the final quarter. The fields were all on the large side and furnished good contests. Summary:

Amateur Hockey in the East.
MONTREAL, Nov. 25.—Shamrocks and Brookville have new franchises in the International Amateur Hockey Association. Both clubs will have teams in the central section, and, with another team in the St. Lawrence section, St. Patricks, who were let in last week, and the possibility of an Ottawa section, composed of New Edinburgh, a couple of other Ottawa teams and Westmount, and the possibility of the I. A. H. A. are distinctly rosy for the coming season.

The adjournment of Nov. 12 was continued at the Windsor yesterday, when the changes were made. The sections will, therefore, be constituted as follows this season:
St. Lawrence section—Sherbrooke, Grand Mere, Thurst River, Westmount and St. Patricks.
Central section—Montreal, Shamrocks, Brookville and New Edinburgh.

There is a possibility that the last-named club will be in an Ottawa section, which would be probably composed of New Edinburgh, two other Ottawa teams and Vankor Hill. Whether the proposed section will be formed will be left to the Central section to decide.

A motion for a revision of the rules was left to a committee, consisting of A. A. Andrews of Westmont, Jack Davidson of the M.A.A. and Brown of Grand Mere.

The question of joining the A.A.U. of C. was brought up by Westmont and Grand Mere. The meeting obviously not being unanimously in favor of the proposed change, the motion was not put to the meeting.

The Central section have not decided on the date for the arranging of the schedule for the season, but it will probably be some day this week, when a settlement regarding the proposed Ottawa section has been arrived at. The St. Lawrence section will draw up their schedule on Dec. 5.

Stormont Hockey League.

CORNWALL, Ont., Nov. 25.—The Stormont Hockey League has been reorganized for the coming season, and will consist of the same five clubs as last season, the Internationals, Rough Riders and Cornwall Juniors of Cornwall, Glenora of Williamstown and Millie Roches. The Glenora players, who resigned from the Stormont at the end of February, 1911, were readmitted. The following officers were elected:
President, Sam Riviere (Rough Riders); past president, W. G. Bennett (Millie Roches); first vice-president, Donald Cameron (Internationals); second vice-president, E. Sheets (Millie Roches); secretary-treasurer, E. A. Kennedy (Cornwall Juniors); committee, E. N. Rutherford (Cornwall Juniors), O. Larn (Rough Riders), E. Somerville (Internationals), J. A. Raymond (Williamstown) and W. V. Grant (Millie Roches).

There was a long wrangle in consequence of the new management of the Cornwall Juniors signing up members of the other local teams of last season. It was finally decided that the hope of next year's players could change to another league team this season. The drafting of the schedule was left over till next Friday evening.

On Friday and Saturday the British United Club will hold their fourth boxing tournament at the Labor Temple, Church street. Regarding boxing tournaments, the United are taking another step this time, having four classes open to any amateur in Canada. There are one or two day horses already entered, who have not been heard of in the boxing game in this country. Each class is getting pretty well filled up, and it looks like two big nights.

The 155 and 165-pound classes (for novices only), are: Gold medals for the winners and silver medals for the runners-up. In the open classes, which are 125 pounds, 135 pounds, 145 pounds and 155 pounds, the prizes are: A large silver cup, standing fourteen inches high, for winners, and the first prize for runners-up. This is the first time such prizes have been put up for amateur boxers in this city, and should induce some of the old-time champions to get acquainted with the silverware. All entries close on Wednesday night at 8 P.M. at the clubrooms, 499 West King street, between 6 and 7 o'clock.

The draw for the bouts will take place at the clubrooms on Wednesday night, and any club managers or boxers who wish to be present are welcomed. Tickets at popular prices can be obtained from all club members or at the door on the nights of the tournament.

PETROLEA JUNIOR CHAMPIONS

Win Game From Hamilton Alerts by Close Score.

LONDON, Ont., Nov. 25.—In a rough yet otherwise well-played game here today, Petrolea defeated the Hamilton Alerts, 12 to 10, for the Junior O. R. P. U. championship. Weather conditions favored the winners, for their big and heavy wing line simply broke through the Alerts line and broke up the plays of the backs, who were slipping in the snow.

Petrolea in the first half bucked continually and practically carried the Alerts by themselves. Their backs played poorly, and when the half ended Alerts had the big end-of-half score. The points were made by good, clean football.

The Alerts opening up a few tricks on the Wolves proved generally easy. The Petrolea players tried different tactics, kicking instead of bucking, and they kicked the ball close to the Hamilton line, where they carried over and the Alerts with it. Hamilton came back quickly, and in two minutes of play got over the Petrolea line. This is where the Alerts tried, for they were helpless thereafter.

The line-up:
Hamilton: (10)—Full-back, Val-leck; halves, McLeod, Thornton, Clement; quarters, Brydges, scrimmage; backs, Spencer, Smith, wings, Snyder, Jones, Havers, Coffey, Muirhead, Tyce. Petrolea: (11)—Full-back, Stokes; halves, Denoon, Billings, Polard; quarter, McGowan; scrimmage, McPhedran, Thomas, Rainsberry; wings, B. Webb, J. Webb, McMullen, Smith, Crapper, Post.

Balmey Beach Gun Club.

The regular weekly shoot of the Balmey Beach Gun Club was held, as usual, on their grounds, Eastern avenue. The day was not as good as could have been expected, but, nevertheless, some good scores were made, and a large number of members were present, also visitors. Anyone wishing to take up this kind of sport will be made welcome, and the experts will show you how to get them. Saturday was a good day, and the lucky number was T. D. McGaw, with 22 out of 25.

George Goulding
Again Breaks
Walking Records

NEW YORK, Nov. 25.—As the band played "The Maple Leaf," and the crowd in the Twenty-Third Armory building yelled its approval, George Goulding, the crack Toronto walker, was shattering American records in the three-mile walk. The not well equipped for a cracking performance, as he wore ordinary rubber-soled shoes, the Canadian showed wonderful speed, and succeeded in covering the three miles in 30 minutes 59.5 seconds. This beat the outdoor mark of 21 minutes 9.5 seconds, made by Frank Murray at the Manhattan Athletic Club in 1881.

On his way to the goal Goulding went whizzing by the two-mile post in 13 minutes 46 seconds, which is a fifth of a second faster than the old mark, made by himself at Brooklyn last March. He did the 1 1/2 miles in 8 minutes 29.5 seconds, and the 1 1/4 in 10 minutes 17.5 seconds. The 3/4 miles was reached in 17.25 seconds, and all these are new American records.

The record-holder, Murray, was one of the judges, and he declared he never saw a faster walker than Goulding.

A second shipment of "Sousa" Cigarettes may be expected from Egypt in the very near future. The reputation of "Sousa" Cigarettes had long preceded their appearance on the Canadian market, and the mere announcement of the first shipment was sufficient to send discriminating smokers after a goodly supply of them. Michigan and Nebraska Tie.

LINCOLN, Neb., Nov. 25.—Nebraska played Michigan to a 6-6 score this afternoon in the hardest contest ever witnessed on a Nebraska field. A touchdown made by each team resulted from a fumble, but the Cornhuskers showed better form than the Yost's men in nearly every department of the game. There were no long runs, but Nebraska were by far the greater ground-gainers. The stone-wall of the Wolverines proved generally easy for Stelm's men, while Michigan could make no headway thru the Nebraska line and were forced to punt continually.

Postpone Snowshoe Meeting.

QUEBEC, Nov. 25.—Owing to the fact that the notices had been sent out late, the annual meeting of the Canadian Snowshoe Union, which was to have been held in Quebec on Saturday, did not take place, but was postponed until Saturday next.

Quebec Hockey Player Training.

QUEBEC, Nov. 25.—The Quebec Hockey Club are leaving nothing undone to have the players in fine shape for the opening of the season, and the men already here are undergoing road training, and any event are being sent traveling over the country roads adjoining the city at a rapid rate. Joe is expected by mid-week, when the men will get down to real hockey work.

There was a meeting of the Quebec Hockey Club on Saturday evening, when arrangements were made for the annual meeting, which is to be held on Monday evening next.

Jim Curry, who leaves for Edmonton next month, says he expects to roll all the way across the prairie, and the alley would help him to get more pins.

In preparation for Xmas turkey rolling Walter Williams is now getting his whip in shape, as his Saturday night total will show. And it's good, bet, remarked Buzzard Wilson the other day, that Walter, who is strong for the white meat, will again walk off with one of the feathered fables.

Fred Pyne is just aching for a chance to get on some Business League team. Fred said the other day: "I never felt better in my life, having practically existed on nuts and wild berries and a few fruit farm all summer. I feel now as though I could tear the end of an alley out with the strength I now possess."

Joe West arrived in town Saturday from the north country and announced that he is arranging a 3000 match with a Frenchman in Sudbury. Five games will be played on Sudbury and five in Toronto. Joe says that his opponent has been bowling on a grooved alley and now thinks he is a champion. West figures the match a cinch.

Navy Beat the Army.
PHILADELPHIA, Nov. 25.—Fighting as the their country's honor rested upon the outcome, the Navy met the Army on the football battlefield here this afternoon, and when the strife was over victory perched upon the blue and gold banner of the midshipmen from Annapolis. Three to one was the score, and the figures about represented the playing ability of the teams. Neither good luck nor an error contributed to the result. The Navy's three points were made by the good right foot of Captain Jack Dalton of Brokenbow, Neb., who sent the slippery ball true between the upright posts for a goal from placement on the Army's thirty-yard line.

CHAMPIONSHIPS AWARDED
NEW YORK HORSE SHOW

Hon. Adam Beck Best Winner in Hunters—Major Kilgour Takes the Jump.

NEW YORK, Nov. 25.—Hon. Adam Beck was the largest winner in the hunter class. He exhibited five horses, taking four firsts, including the midweight hunters and the championship with Sir Edward, also one second and two thirds, winning \$30 and the championship cup. The National Horse Show, the last to be held under the roof of the old Madison-square Garden, closed to-night with the awarding of the last of the championships. The string of spectators was as large and as brilliant as attended any of the seasons the past week. On every tongue there was expression of regret at the passing of the old Garden, where the horses have held forth for many years.

During the week \$4000 in prizes has been awarded in 154 classes, with 1700 horses competing. The money was split among many, but Judge Wm. H. Moore of New York and E. A. Stotesbury of Philadelphia carried off the lion's share. Stotesbury made a clean sweep of the reserve class.

A surprise to-night was the defeat of Confident, the bay mare owned by Mrs. J. A. McGloay of St. Catharines, Ont., who has won 31 prizes during the past week. Confident was beaten for the lightweight championship in the middle horse division by Mrs. W. A. McGregor's Rosary.

The prize for heavyweight hunters not required to jump was won by Hon. Adam Beck's Hivro, while Knightbridge, owned by Hugh Wilson of Toronto, was a close second.

In the jumping championship, which closed the show, Touraine, owned by Major Kilgour of the Queen's Own Rifles, Toronto, was the winner in the heavyweight class, the reserve going to Black Paddy, owned by Baron Von Voort of the Royal Dutch Hussars.

In the middleweight championship class, Sir Edward, owned by Hon. Adam Beck, was the winner, Elmhurst, owned by Hon. Clifford Sifton, taking the reserve. Argona of Blenheim Farms, Baltimore, took the honor in the lightweight class.

Hockey Notes.
The North Toronto Hockey Club will hold their annual meeting for election of officers and to reorganize for the season, in the town hall, Eglinton, on Tuesday evening, Nov. 28. All old members and any persons wishing to join will be welcome.

A meeting of the Canada Life Athletic Association was held yesterday in the company's board room. The officers for the ensuing year were elected, Mr. Geo. F. Little being unanimously appointed president. It was decided to enter a hockey team again this year in the Finlayson League, with Mr. C. E. Sheppard as manager. Mr. S. P. Mather was appointed representative of the association to the executive of the league.

No-Rim-Cut Tires
Now Have Your Ideal of a
Non-Skid Tread

Goodyear No-Rim-Cut tires—10% oversize—are now the most popular tires on the market. Over 700,000 have already been sold. Now these patented tires come equipped if you wish with a Perfect Non-Skid Tread.

The Winter Tire
In wet or wintry weather every motor car owner demands a Non-Skid device. Chains are most inconvenient, easily broken and ruinous to tires. Metal projections wreck the tire. Short or soft rubber projections wear off too quickly.

The Non-Skid Meets These Objections
It is: A double-thick tread. A very tough tread. Deep-cut blocks, widening out at the bottom. Countless edges and angles to grasp the road.

This tread is added to our No-Rim-Cut tires. It is vulcanized on the tires. When the Non-Skid tread wears off, after thousands of miles, you still have the regular smooth tread.

What It Means
This double-thick tread reduces danger of puncture by 30%. The blocks widen at the bottom to distribute the strain over as large a surface as the smooth tread tire.

On No-Rim-Cut Tires
And this device comes on tires that can't rim cut—tires 10% oversize which adds 25% to the average mileage. Thousands have proved that to use these tires means to cut tire bills in two.

On the strength of their winning their initial game of the season in the Business Men's League, Pete Reid took his game of Gobins down to the King Edward and bought them a real dinner. I wonder if Pete will be able to recognize some of his hopes to-day.
