Ald. Allen denied he had sworn at Ald. Peregrine, but said he was ready to apologize and shake hands if Ald. Peregrine would apologize for threatening to take his scalp four years ago.

Ald. Peregrine said he did not remember making any such threat, and declared that if he did, it was only as a joke. Ald. Allen refused to apologize but the mayor explained that if that we are busy-it's no trouble to fit and please with our "Sovereign Brand," it's the "King's Plater" in the clothing

HAMILTON HAPPENINGS OLD GRUDGE CROPS UP IN PEREGRINE-ALLEN SPAT

One Alderman Demands an Apology for Alleged Slur and Other Asks Threat Recalled.

Hamilton, March 25.—(Special.)—7.1e city council had a long-drawn-out session to-night. The trouble started when Ald. Peregrine rose to a question of privilege and complained that Ald. Allen at the last meeting used profane language while debating the fuel question.

fuel question.

He also complained because the mayor did not protect him from Ald.

Allen's remarks. He asked for an apology from both the mayor and ald-

Ald. Lees moved a vote of censure upon Ald. Allen, but got no seconder, and the alderman hastened out of the chamber, so that there was not a quo-After the council meeting the two aldermen were prevailed upon to shake hands.

There was a long debate about closing up Trolley-street, but it was de-cided not to close the street. Opposition was offered to the pro-posal to ask the lieutenant-governor in council for permission to issue depen-tures for \$62,000 for waterworks construction, but the proposal was finally adopted by a vote of 17 to 4. Foresters Feel Offended.

Some of the members of the Catho-lic Order of Foresters feel offended because they were not received in a body at St. Mary's Cathedral Sunday. They claim that the Rev. Dean Ma-honey refused to administer the sacrament to them in a body.

Dean Mahoney explained that he had not been notified of the order's inten-tion of attending the service. He says there was not enough room left in the cathedral after the other worshippers were accommodated, to allow the members of the order to sit in a body. The firemen were called to the Gart-shore-Thompson foundry this after-

going on among the different owners and steamship companies, to be ready for the initial trips.
