Heart disease is characterized by its stealthy approach and its variety of forms, yet in all its forms nature gives unmistak-

able signals which warn us of its presence. One of the first danger signals announc-ing something wrong with the heart is the irregular beat or violent throb. Often there is only a fluttering sensation, or an "all gone" sinking feeling; or, again there may be the most violent beating, with flushings of the skin and visible pulsations of the arteries. You may experience a smothering sensation, gasp for breath and feel as though about to die. In such cases the action of Milburn's Heart and Nerve Pills in quieting the heart, restoring its normal beat and imparting tone to the nerve centres, is, beyond all question, mar-vellous. They give such prompt relief, such speedy restoration to health that no

Mrs. A. Housden's Tragic End-Frank Vallance Dead-S. Wentworth Conservatives.

HAMILTON, March 29.—(Special.)-Coroner Hopkins decided to-day that it was unnecessary to hold an inquest on the death of Mrs. A. Housden, 327 North Hughson-street, who committed suicide Saturday night by drinking carbolic acid. According to the story that reached the authorities, her husband wanted her to go out west with him, and while she was uptown Saturday afternoon moved their things out of their home. When she arrived home and found what had been done she ended her life. Coroner Hopkins decided to-day that it

ALBANY, March 29.—Goy.
