January 22, 1935.

Dear Sir,-

I wish to acknowledge receipt of your letter of the 18th instant, together with clippings published in two local newspapers, the Parry Sound Canadian and the Parry Sound Star, dealing with the question of roadwork, etc., which is now being carried out on the Parry Island Reserve, Ont. by the Department of Northern Development as a means of relief to white residents of Parry Sound and local Indians, as well as other matters pertaining to the reserve.

After reading these articles it seems to the Department that no useful purpose would be served in your behalf by further correspondence or action with respect to the comments made in the articles above referred to, the Department being satisfied with the explanations given in your communication of the 14th instant as published in the Parry Sound Canadian and your correspondence with this office.

Yours very truly,

A. F. Mackenzie
