SAY CONDITIONS IN PALESTINE ARE BAD

Feeling Between German and Turkish Officers Has Reached Acute Tension

Cairo, Feb. 3.—Refugees who have arrived in Egypt from Palestine report that conditions there go from bad to worse. The relations between the German and Turkish officers have reached acute tension, and the relations between the British and Turkish officers have also become strained. The British officers are reported to be in a state of high tension, and the Turkish officers are reported to be in a state of high tension. The British officers are reported to be in a state of high tension, and the Turkish officers are reported to be in a state of high tension.

Aldin Bey is a cousin of Enver Pa-

sha, and it is said that it is likely that his threat will be carried out.

The Anglo-Palestine Company, a banking concern, has done much excellent work in helping the refugees who have arrived in Egypt. The company has been doing the utmost to assist refugees with depositions. This afforded great relief to the refugees.

Humanitarian work is also being done by the U. S. Warship Tennessee, which has been fitted up as a transport and has been going back and forth between the ports of Egypt and Palestine to bring refugees to this country for safety. Another batch has arrived at Alexandria, and the reports brought by them with reference to the situation tend to show more and more strongly the inability of the Turks to do anything that is effective against Egypt.

Everything is quiet in Egypt, and the people are convinced that the country is secure against all attacks. It is becoming clearer every day that the Turkish plans are so much bluffed that no force of any importance is yet in the movement against the Suez Canal.

WANT ADULTS IN SUNDAY SCHOOLS

Discussion of Methods at Synod Meeting

MEMBERS IN UNIFORM

Praise Chaplains and Volunteers—Bookkeeping Methods—Preservation of Records—Rothsay College Reports

For its second business day the diocesan synod of Fredericton attracted a lot of work and covered a wide field. Sunday School Work.

Much interest, too, was shown in the evening conference on Sunday school work. This is nominally supplementary to the work of the churches proper and the gathering was therefore under the auspices of the Sunday School Association of the diocese. The bishop presided and the attendance of school teachers was good. The discussion in each case rose perhaps to a higher level of usefulness than at any of the diocesan gatherings hitherto.

The committee reported that at the first meeting, Rev. G. A. Kahring was appointed deputy chairman and Rev. E. B. Hooper secretary. The organization of the department is as follows: Rev. G. A. Kahring, superintendent of teacher training department; Rev. C. W. Nichols, superintendent of home department; Rev. R. P. McKim, superintendent of adult Bible class department; Rev. G. F. Scott, superintendent of missionary department; Very Rev. Dean Schofield, superintendent of finance department; J. A. Coater, superintendent of statistical department; Miss Ethel Jarvis, superintendent of primary and font roll department. Co-opted members of the committee: Rev. R. P. McKim, Mrs. John McAvity, J. A. Coater and Rev. G. F. Scott.

Very Rev. Dean Schofield, superintendent of the finance department, reported that towards the appropriation of the Sunday school commission, 58 parishes and missions, during the past year, contributed \$286.62, as against 48 parishes and missions last year contributed \$261.86. While this is an improvement, there is a serious difference between the amount raised and the \$400 which was the appropriation placed upon the diocese.

In a general discussion of Sunday school work of almost two hours' duration, the bishop mentioned that one of the weaknesses of the Church of England in relation to other churches in the same area was that they could not get the adult members of the church to take an interest in the Sunday schools. When he passed some Baptist places of worship he was often struck by the many grown persons who streamed out from them. The home department work should fill a gap in the Anglican scheme.

Revs. W. J. Wilkinson and P. Ellis Musquash, spoke of the advantages they had found from the home department lessons.

Rev. E. B. Hooper was thanked for his twenty-one years' work as secretary of the Sunday School Association, in which as previously reported, he is now leaving for the present to serve with the Canadian forces overseas. At 10 o'clock

MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water, and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxins called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of forcing the blood of this impurity. In damp and chilly, cold weather the kidneys are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities. Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia, and is used with excellent results by thousands of folks who are subject to rheumatism.

Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

Making Careful Returns.

On the subject of the reports of the clergy of the work done during the year, which the bishop in the afternoon criticized for being so neglected, Ven. Archbishop of Fredericton gave the following notice of motion:

"Each clergyman having care of souls within this diocese is to submit to the bishop, at the meeting of the synod, a written report of the work done in his cure since the last meeting, and also make to the secretary of the synod, on or immediately after the thirty-first day of December in each year, a return in the form (B), a printed copy of which form shall be sent by the secretary to each clergyman on or before the first day of December. Returns shall be laid before the board forthwith, and before the synod on the first day of its meeting, and the board shall pay to any missionary, in default of rendering any such statement or return, so long as such default shall continue."
