Semi-Monthly Bill of Canadian Railways Reduced by \$200,000—The Conciliation Board Defers Decision.

Montreal, Aug. 15.—Canadian railways today slashed some \$200,000 from their semi-monthly wage bill to their shop employees, despite the overwhelming strike ballot which union leaders held in their hands from about 87,000 men employed from coast to coast.

The board after a brief session today adjourned until tomorrow morning to permit the railways to forward their reply to Premier King's letter of yesterday.

The letter points out to the Canadian National Railways, the Grand Trunk and the Canadian Pacific Railways that the premier endorses the opinion of the department of labor and justice, that the companies must re-establish the old wage scale and defer from applying reduction until the conciliation board has made its award.

GOOD THINGS COMING
TO THE THEATRES
OF ST. JOHNOLD ERIN IN DAYS
OF QUEEN VICTORIA

"My Wild Irish Rose" Reproduces the Ireland of Yesterday.

"My Wild Irish Rose" will be the attraction of the Imperial Theatre tomorrow and Thursday. All those who love the land of the shamrock will go wild over this splendid photoplay, which tells the thrilling story of life in the Emerald Isle in the early days of Queen Victoria's reign.

"My Wild Irish Rose" was adapted from the famous old stage success, "The Shaughraun," by Dion Boucicault. It made its debut at the Drury Lane Theatre, London, in 1876 and since then has been played all over the English speaking world. The plot is an absorbing one; there are spies, informers, "red-coats" and pretty Irish colleens galore; and in addition there are three love stories, three heroes and three heroines. The picture has been lavishly produced under the direction of such successful men as "Black Beauty," "Flower of the North" and "The Little Minister" etc. Director Smith has brought out all the picturesque and old-world charm which is inherent in the subject and has made "My Wild Irish Rose" a masterpiece of colorful atmosphere. The all-star cast includes Pat O'Malley, Helen Howard, Maude Emery, Pauline Stander and little Richard Daniels, "the champion freckled boy" of the screen.

The Imperial orchestra will have a marvelous library of Irish music for the picture, the recurring theme of which will be "My Wild Irish Rose". This is a special price attraction.

JOINT PICNIC IN
THE NORTH END

St. Peter's and Holy Trinity churches' annual Sunday school picnic is being held today on St. Peter's ball park.

A large crew of workers were actively engaged this morning erecting booths, super tables, etc., and making general preparations for the event. Electric lights were also strung throughout the grounds.

This evening the City Cornet Band will be in attendance and will render a programme of popular and classic selections.

The supper table was in charge of Mrs. Savage and Mrs. Rusk, and they were assisted by a large number of ladies from St. Peter's and Holy Trinity churches. The refreshment booth was in charge of Miss Nellie Harrington and Miss Marie M. Sullivan, and the ice cream parlor under conversance of Miss Sarah Lynch. Young men were looking after a variety of games, which during the afternoon were being liberally patronized. The picnic is under the supervision of Rev. Dennis Coll, C.S.S.R.

THE NEW ARENA

The erection of the new skating arena on Dufferin avenue, north end, is progressing favorably. This morning a crew of men were engaged pouring concrete for the foundation, while teams were conveying steel girders for the frame work of the new structure. The foundation work is expected to be completed this week and a start will then be made on the steel frame. It is expected that the building will be completed by Thanksgiving day. The new arena will be 280 feet long and 150 feet wide, with an ice space of approximately 200 by 100.

PRINCE WILLIAM ST. WORK

Concrete pouring was started on Prince William street this morning, and it is expected the western track section will be completed in a couple of days. Street Superintendent Price said that the entire track section could be completed in very few days if the cars were stopped running. This, he said, would be a great help in rushing the work through to completion. He said he expected to have work finished before exhibition week.

The new rails are sixty-two feet long, replacing the old thirty-foot steel, and are much heavier.

FOUR GENERATIONS
MET TO HONOR HER

(Saskville Tribune)

Mrs. Sarah Cuthbertson, our oldest resident, who is living with her grandson, Frank Crossman, Fairbairn Road, 17th last. Despite the fact that she is nearly reached the century mark, she is enjoying good health and is in possession of all her faculties, being able to take an intelligent interest in everyday affairs. There were four generations gathered at her home to celebrate her 97th anniversary, as well as numerous friends and acquaintances. In the afternoon, the aged lady enjoyed an auto ride and spent some time picking strawberries.

Mrs. Cuthbertson has always led an active life, and in her earlier years took a deep interest in church and other benevolent work. She is a member of the Baptist church, and occasionally attends service despite her advanced years.

Mrs. Cuthbertson was born at Buctouche, being a daughter of the late Mr. and Mrs. Oliver Ward, and came to reside in this vicinity when she was 14 years of age. She has been twice married. Her first husband was Henry Crossman, and her second husband, who predeceased her about 18 years ago, was the late Mr. John Crossman.
